Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The dose should vary with the severity of the disease, from twenty drops to a teapconful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remainse, then followed up with the Constitu-tion Water, as above directed.

That disease known as FALLING OF THE WOME, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine. There is another class of symptoms arising from IRRI-TATION OF THE WOME, which physicians call Nervous-ness, which word covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only commerate them here. I speak more par-tionlarly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languor Lassi-tude, and Dimness of Vision.

### SUPPRESSED MENSTRUATION,

Which in the unmarried female is a constant : rring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the suppression becomes chronic, the patient grade-ally loses her appetite, the bowels are constiputed, night sweats come on, and consumption finally ends her career.

## LEUCORRHGEA OR WHITES.

This disease depends upon an inflammation of mucous lining of the vagina and womb. It is in all cases accom-panied by severe pain in the back, scross the bawels and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoon-ful of the medicine, mixed with a half-pint of soft water, rning and evening.

IBRITATION OF THE NECK OF THE BLADDER, INFLAMMATION OF THE KIDNEYS, AND CATARRH OF THE BLADDER, STRAN-GURY AND BURNING, OB PAIN-FUL URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most argent symptoms. Are you troubled with that distressing pain in the small of the back and through the hipe' A teaspoonful a day of Constitution Water will relieve you like magio. FOR DYSPEPSIA,

it has no equal in relieving the most distressing symptoms. Also, Headache, Heartburn, Acid Stomach, Vomiting Food, Ac. Take a teamponful after dinner. The does in all cases may be increased if desired, but should be done

PHYSICIANS have long since given up the use of buchu, cubebs, and juniper in the treatment of these diseases, and only use them for want of a better remedy.

MISHLER-SF: About Christmast, my youngest daughter, a girl of filteen years of ago, was stiacked with parajysis, which confined her to her bed, where ahe lay perfectly helpless and suffering the greatest pain. I pro-cured the attendance of our medical men in the neighbor-hood, but, in spite of their best efforts, she grew daily worse and worse. Ehe was to belpless that it was impossi-ble for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, ahe would fail over backwards, or lie on one side or the other, and indeed had no strength or power or could over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see yot, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my danghter commenced taking, it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly tree, and that my danghter will shortly be entirely recovered. Bhe is now able to leave her bed, and can at in a common chair, and can stand on her fest, without any pain; ehe can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine should be known everywhere. BITTERS: Atroova, Fa., Sept. 2, 1863. Dr. Whifield-Sir: I had been afflicted with a very soverse cold on the breast for three or four weeks, and had tried different domestic and patent remedies without any benefit. From your recommendation I was induced to try Mishler's Bitters. I am happy to say they had the desired effect-and I am better than I have been for a long time. I have also used the Bitters for a severe Diarhose and they completely cured me. No one should be without them. I am determined to have some in the house all the time. Yours respectfully, JOSEPH H. BROWN. ALTOONA. Pa. May 1 1863

JOSEPH H. BROWN. ALTOOMA, Pa., May I, 1863. Dr. Whitfold-Sir: This is to certify that I have been afflicted with the Rheumatism for many years, and have tried many things said to be cares without any relief. I am employed drying sand for the P. R. R., and having to be in the damp and steam nearly all the time, I was straid that I never would get well sgain. One of my'arms has been so bad that I was afraid I would lose the use of it altogether; it was so weak and painful that I had to raise it with my other hand whenever I wished to change its position. The bottle of Mishier's Herb Bitters I got from you the other day, has so much relieved me that I can now raise my arm without difficulty and it is getting as strong as ever. From the wonderful improvement it has made in my health, I can recommend Mishier's Herb Bitters with the greatest confidence to all those afflicted with the Rheume-tism. Respectfully yours, HUGH MULLOY.

HUGH MULLOY. <u>Manufilm</u>, Nov. 6th, 1863. <u>B. Davring, Pa., June 2, 1862. Dr. W.M. H. Gazeg-Dear Sir: In February, 1861, I was afflicted with the sugar diabetee, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ton or tweive times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours truly, J.Y. L. DE WITT.

Boston CORNES, N. Y., Dec. 27, 1881. W.M. H. GREGG & CO.: Gentz: I freely give you liberty to make use of the fol-lowing Certificate of the value of Constitution Water, which I can recommend in the bighest manner. My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpits yiton of the Heart, attended with Falling of the Womb, Dysmenorrhas, and Irritation of the Bladder. I called a physician, who attended ber about three months, when he left her worse than he found her. I then employed one of infier quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "the has such combination of complaints, that medicine given for one to our uter astonishment, almost the first does seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintendas entirely her domestic affairs. She has not taken any of the Constitu-tion Wate for should four weeks, and we are that it has produced a permanent cure. WM. M. Gazog: Data Xir: I have for several years, been afflicted with that troublesome and dangerons disease—Gravel—which resisted all remedies and doctors, until I took Constitution Water, and you may be assured that I was exceedingly pleased with the result. It has entirely cured me, and you may make any use of my name you may see alt in regard to the medicine, as I have entire confidence in its officacy. Yours truly, POND STRONG.

THESE ARE FACTS ENOUGH.

There is no class of discases that produces such exhaust-ing effects upon the human constitution as Diabetes and Diseases of the Kidneys, Biadder and Urinary Passages, and through a false modesty they are neglected until they are so advanced as to be beyond the control of ordinary remedies, and we present the CONSTITUTION WATER

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful in curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and obserview.
