UNION OF THE WORLD AND ARGUS.

The World, to which the New York Weekly Argus has been united, has to-day five times the aggregate circulation of any Democratic or conservative newspaper. It addresses weekly more than 100,000 subscribers and constant purchaseers, and reaches at least RAILY A SULION readers. With the steady increase in circulation which it now enjoys, these numbers will be doubled by the 1st of January, 1864. Nothing less than this should satily those who believe that the only hope of restoring the Union and the suthority of the Constitution over a now distracted and divided country, lies in wresting power from the hands of those whose fanaticism has helped to provoke, invite, and prolong the war; and that to accomplish this end, no means is so effective as the diffusion, through able and enterprising newspapers, of sound political knowledge among the working man, the thinking men, and the voting men of the North.

Enterprise, industry and money will be liberally expended to make Tax World THE BEST NEWSPAPER IN AMERICA. Its news from every part of the world will be early and anthentic. Wherever the telegraph extends, or railroads run, or steamboats ply, it will gather the latest intelligence. It has correspondents and reporters in every political and commercial centre in America and Hurope, whose letters and dispatches will leave nothing worthy of note unknown to its readers.

Special exertions will be used to make its reports of the Crops, of the Cottis, Produce, and Money markets, comprehensive and accurate. Dr. Wh. H. Gregg—Dear Sir: In February, 1861, I was shifteted with the sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve times during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Gents: I freely give you liberty to make use of the following Certificate of the value of Constitution Water, which I can recommend in the highest manner.

My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmenorrhes, and Irritation of the Biadder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "ehe has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she corumenced to use the Constitution Water, and to our utter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

I hereby certify that I have been smileted fith white swelling and acrofulous outbreaks for a perion of over four years. My case was so bad that I could not walk without the aid of crutches. My left leg was much swollen and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced to relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks. I think I eshall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to call upon me, and I will give them all the Information on the subject in regard to my case.

ANOTHER REMARKABLE CURE.
A OASE OF PARALYSIS RELIEVED BY
MISHLER'S BITTERS.
The testimony is every day accumulating that Mishler's
Bitters is performing wonders, and its fame is gradually

ing certificate, selected from hundreds received weekly. It speaks for itself:

ME. B. MISHLEE—Sr: About Christmast, my youngest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the beighborhood, but, in spite of their best efforts, she grew daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lise on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her bands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

With Marker & Punnace, May 22, 1863.

Yours truly,

MARIETTA PURNACE, May 22, 1863.

BENJ. MISHLER, ESQ.—Dear Sir: Please send me by Pennsylvania Railroad ½ gross your celebrated Bitters as soon as possible. I am almost out of it, and I find it to be the very best Bitters manufactured.

I could procure you half a dozen certificates if necessary; but knowing the Bitters will do what is represented, I think all that is required is the cash for the Bitters.

Yours truly,

Agent for B. Mishler.

The office for the sale of Mishler's Bitters is in Centre Square, where hundreds of certificates can be seen.

Friend Mithler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I gave a bottle to Mrs. Neavin, a lady that had been troubled with the Dumb Agne, and had taken so much quinine that her appetite had left, and was on much troubled with pain in all her joints that she was not used to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough. Yours, respectfully, CHAS.P. MILLER.

LANGASTER, May 27th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrohoxs, for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up my-reeli. I have been at the Lancaster Hospital for eix months; I had Rheumatism when I went there, and was unable to do anything. One of the inmustes of the Hospital give me three doves of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

Respectfully,

JAMES KENEDY.

Prques, May 25th, 1863.

Mr. B. Müshler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pain; at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must say that it relieved me entirely of my pain. Respectfully yours, JNO. SCHOOK.

Lancastes City, May 7th, 1863.

Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the bac! for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well, and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my sex similarly afflicted.

Respectfully yours, Mount Jor, May 13, 1863.

I then had recourse to Mishler's bitters; the or no relief. I then had recourse to Mishier's Bitters; the took half a bottle, and the pains entirely let her. I took the remainder myself; before taking; it I was overcome with drowsiness whenever I would sit down to read or write, and would fall asleep, but since I took the Bitters, I feel as if I could "leap over a wall and" on through a troop."

Mr. B. Mishler—Dear Sir: About three years ago there was a Lump or Swelling came on the side of my neck or Jaw, which continued to enlarge in size without opening. About two years ago, I drew it open with a poultice. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel nothing of it at all; it has left no mark or trace of it behind, all has gone away.

B. Mishler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fever, which alarmed me very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I hought one bottle of your Herb Bitters, and when I got home I took two doses of it which relieved me aimost immediately. I am taking two doses per day now and feel as well as ever I dtd. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Coatesville, Ohester county, which is my permanent residence. B. Mishler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is roturning fast. I can now walk without a cane and see where I go. I was digging garden to-day and could see the worms crawling about in the dug up earth. Respectfully, HENRY J. ETTER.

MR. B. MISHLEE—Dear SIT: My daughter, a young girlabout 12 years of age, caught a cold in her eyes early, as spring, which safficted her so much that I was afraid she would lose the sight of one of her eyes. She finally got so bat that it was found necessary to keep her continually in a dark room, allowing not even a candle to be lit. About three weeks ago I was induced to give her a bottle of your bitters, and am happy to say that one bottle cured her as

These Bitters for the cure of Weak Stomachs, General Beblity, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give as fine tone and healthy action to silit's parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.
