UMION OF THE WORLD AND ARGUS.

The World, to which the New York Weekly Argus has been united, has to-day five times the aggregate circulation of any Democratic or conservative newspaper. It addresses weekly more than 100,000 subscribers and constant purchasers, and reaches at least RALF A MILLON readers. With the steady increase in circulation which it now anjoys, these numbers will be doubled by the lat of January, 1854s Nothing less than this should satify those who believe that the only hope of restoring the Union and the authority. Enterprise, industry and money will be liberally expended to make The World THE BERT NEWSEAPER IN AMERICA. Its news fron every part of the world will be early and authentic. Wherever the telegraph extends, or railroads run, or stamboats ply, if will gather the latest intelligence. It has a large staff of accomplished correspondents with all the federal armies, who will telegraph and write to us the latest news from the various seats of war. It has correspondents and reporters in every political and commercial centre in America and Europe, whose letters and dispatches will leave nothing worthy of note unknown to its readers.

Special exertions will be used to make its reports of the Crops, of the Cattle, Produce, and Money markets, comprehensive and accurate. Restining that the bone and sinew of the country are to be found upon its farms and in work-shops, The World will gather from every quarter information and news concerning Agriculture and manufactures, and will endeavor to make its issues peculiary valuable to the Farmers and Mechanics of the country.

Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the severity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calcius, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed.

That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ, and is known by a sense of heaviness and dragging pains in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in all cases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which work covers up much ignorance, and in nine cases out of ten the doctor does not really know whether the symptoms are the disease, or the disease the symptoms. We can only enumerate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Waketulness, Flashes of Heat, Languor Lassitude, and Dinness of Vision.

It is in all cases accompanied by severe pain in the back, across the bowels and through the hips. A toaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine, mixed with a half-pint of soft water, morning and evening.

Dr. W.M. H. Gregg—Dear Sêr: Iu February, 1861, I was afflicted with the sugar diabetes, and for the months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve timee during the night, and in five months I lost about fifty pounds in weight. During the month of July, 1861, I procured two bottless of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, bysmenorrhes, and Irritation of the pladder. I called a physician, who attended her about three months, when he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pain; he finally gave her up and said, "her case was incurable." For, said he, "she has such a combination of complaints, that medicine given for one operates against some other of her difficulties." About this time, she commenced to use the Constitution Water, and to our uter astonishment, almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintonds entirely he

The following certificate has been received, and if there are any persons skeptical as to its truth, they can satisfy themselves by calling upon the young man who gives it. He may be found during the day at the Southwest corner of Centre Square and West King street, where he keeps a cake stand. He will give all information that may be desired in regard to his case. But read the following:

GENTHOLYE OF JOHN S. RUMHINE.

I hereby certify that! I have been afflicted fith white swelling and scrotilous outbreaks for a perion of over four years. My case was so bad that I could not walk without the aid of crutches. My left leg was much swollen and there were three eruptions at the knee, one at the hip, and one at the breast. I tried various remedies, and I had the advice of several physicians, but experienced no relief. About four weeks ago I commenced with Mishler's Bitters, and in a very short time I began to get better. I am now able to walk without the aid of crutches. My legs are still bent, but if I continue to improve as I have been doing for the last two or three weeks, I think I shall soon be as

able to walk without the sid of crutches. My logs are still bent, but if I continue to improve as I have been doing for the last two or three weeks, I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to call upon me, and I will give them all the information on the subject in regard to my case.

ANOTHER REMARKABLE CURE. A CASE OF PARALYSIS RELIEVED BY MISHLER'S BITTERS. MISHLER'S BITTERS.

The testimony is every day accumulating that Mishler's Bitters is performing wonders, and its fame is gradually but rapidly spreading over the continent. Read the following certificate, selected from hundreds received weekly. It speaks for itself:

Neffective the selected from hundreds received weekly. It speaks for itself:

Neffective the selected fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily wors- and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over backwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try vour Herb Bitters. I took a bottle out home with me, and my daughter commenced taxing it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to precure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

PHILADELPHIA, May 27th, 1863.

Friend Mishler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I gave a bottle to Mrs. Neavin, a lady that had been troubled with the Dumb Agne, and had taken so much quinine that her appetite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise enough. Yours, respectfully,

CHAS. P. MILLER.

Lancaster, May 77th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrohea, for three months, and I suffored so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six months; I had Rheumatist. When I went there, and was unable to do anything. One of the immates of the Hospital give me three doces of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's blessing to me, and have restored me to pretty good health. Mr. A. Fairer can tell all about it, as he is well acquainted with my sufferings since I have been in the Hospital.

Prouse, May 25th, 1863.

Mr. B. Michler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pair; at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give its trial. I have used two bottles of it, and I must sayt hat it relieved me entirely of my pain. Respectfully yours. JNO. SCHOCK.

LANCASTER CITY, May 7th, 1863.

Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well, and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my sex similarly afflicted.

Respectfully yours, HARRIET ORK.

Mount Jor, May 13, 1863.

Mr. B. Mishler: My wife having been afflicted with exruciating pain in her hauds and feet, several of our most prominent physicians attended her but could give her little or no relief. I then had recourse to Mishler's Bitters, she took half a bottle, and the palus entirely left her. I took the remainder myself; before taking it I was overcome with drowsiness whenever I would sit down to read or and would fall asleep, but since I took the Bitter as if I could "leap over a wall and un through "GEO. DRUCKENMILLER.

Mr. B. Mishler—Dear Sir: About three years ago that was a Lump or Swelling came on the side of my neck of jaw, which continued to onlarge in size without opening About two years ago, I drew it open with a poultice. commenced to use your Bitters about three montes ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel nothing of it at all; it has left no mark or trace of it behind, all has gone away.

JOHN LESHER.

Landaster, May 6, 1863.

B. Mishler—Dear Sir: I had pain in my head, side and bacs, in connexion with chills and fever, which alarmed mo very much from the fact of my having a very severe attack of Typhoid Fever, while connected with the Army. I bought one bottle of your Herb Bitters, and whea I got heme I took two doses of it which relieved me almost immediately. I am taking two doses per day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Franklin House, North Queen street, in this city, and will be glad to tentify to the above, to any one calling at the aforementioned place, or at Coatesville, Chester county, which is my permanent residence. LANGASTER, April 20th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cane and see where I go. I was fligging garden to-day and could see the worms crawlings bout in the dug up earth.

Respectfully, IENRY J. ETTER.

MORE TESTMONY

MR. B. MISHLEE—Dear Sir: My daughter, a young girl about 12 years of age, caught a cold in her eyes early ast spring, which afflicted her so much that I was afraid she would lose the eight of one of her eyes. She finally got so bad that it was found necessary to keep her continually in a dark room, allowing not even a caudie to be lit. About three weeks ago I was induced to give her a bottle of your bitters, and am happy to say that one bottle cured her so completely that she is now able to go to school.

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1853, the undersigned for the first time offered for sale to the public Pr. J. Bovee Dods Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily alliment should be had; for diseases of the body must invarient as the strict attention to the least and most trifling bodily alliment should be had; for diseases of the body must invarient as the strict attention to the least and most trifling bodily alliment should be had; for diseases of the body must invarient as the strict attention to the least and most trifling bodily alliment should be had; for diseases of the body must invarient the strict attention to the least and most trifling bodily alliment should be had; for diseases of the body must invarient the strict attention to the least and most trifling bodily alliment should be had; for diseases of the body must invarient the strict attention to the least and most trifling bodily alliment should be had; for diseases of the body must invarient the strict attention to the stri Philadelphia.

IMPERIAL WINE BITTERS!!

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the bead to the feet. As these Bitters are tonic and alterative in their charactor, so they strengthen and invigorating the whole system from the bead to the feet. As these Bitters are tonic and alterative in their charactor, so they strengthen and invigorate the whole system and give a fine tone and heastiny action to allit sparts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to gtrengthen and brace the system. No Lady, who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person who may use them. For

same action where no others have tone before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS are prepared by an eminent and skilful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Boves Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them walter able remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yat we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will one highly approve DR. J. BOVEE DODS' IMPERIAL WINE BITTERS. DIE. J. BUYEE DODS IMPERIAL WINE BITTERS are composed of a pure and unadulerated Wine, combined with Barborry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

and against which are secural recession are so thaty prejudiced.
Those truly variable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indisponable as a TONIC, MEDICINE AND A BEVERAGE.
