POR

COSSTITUTION WATE

Read the following testimonials, just received, of the curve effected by this truly wonderful compound:

THE MOST WONDERFUL CASE ON RECORD.

READ! READ!: READ!!! READ!!!

The remarkable without of Mishler's Herb Bitters, have again been brought to the test, and parsed through the orded triumphantly. The following certifieste has been received, and if there are any persons eksptical as to its truth, they can satisfy themselves by calling upon the young man who gives it. He may be found during the day at the Southwest corner of Centre Square and West King attrest, where he keeps a case stand. He will give all information that may be doired in regard to his case But read the following:

URBITICATE OF JOHN S. RIMERERT.

I hereby certify that I have been afflicted ith white swelling and scrothlous outbrasks for a perion of over tury years. My case was we bed that I could not walk without line aid of cratches. My left leg was much swellen and there were three eruptices at the kine, one at the hip, and one at the breast I tried various remedies, and I had the advice of several physicians, but experimened no relief. About four weeks ago! I commenced with Mishler's Bitters, and in a very short time I begun to get better. I am now able to walk without the aid of cratches. My legs are still bent, but if I centinue to improve as I have been doing for the last two or three weeks. I think I shall soon be as well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afficient, and would invite all to call upon ms, and I will give them all the information on the subject in regard to my case.

Lauraster, May 22, 1863.

ANOTHER REMARKABLE CURE.
A CASE OF PARALYSIS RELIEVED BY
MISHLER'S BITTERS MISHLER'S BITTERS

The testimony is every day accommisting that Mishler's Bitters is performing wonders, and its fame is gradually but rapidly spreading over the continent. Read the following certificate, selected from hundreds received workly. It speaks for itself:

Neground Inna & 1862

which gives those organs time to recover their healthy tone and vigor. We are able to state that the Constitution Water has cured every case of Diabelos in which it has been given. Ma. B. MISHLER—Sir: About Christmet. my youncest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our mulical men in the neighborhood, but, in spite of their best efforts, she grow dail; wors, and worso. The was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to eass her, we would raise her up, she would fail over backwards, or lie on one side or the other, and indeed thad no strength or power or courted over her motions at NEFFSVILLE. June 5, 1863. Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The dose should vary with the saverity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water as a lower directed. over backwards, or lie on one side or the other, and indeed had no strength or power or course) over her motions at all. On the 26th of last month, by the advice of Henry Mindich, I came to see you, and, from what you told me, I concluded to try your Herb Bitters. I took a bottle out home with me, and my daughter commenced taking it. Ebe has used that buttle, and the effect is so great that I was the commenced that in the contract of the cont the has used that bottle, and the effect is so great that what to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be intirely recovered. She is now able to leave her bed, and can sit in a common thair, and can stand on her feet, without any pain; she can raise the head of the proof of the proof of the bed and transing out of bed next of the Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by severe pain; and the other a too profuse secre-tion, which will be speedily cored by the Constitution Water. and can stand on her feet, without any pain; and contraisher hands to her heads, and remains out of hed most of the day. I am no pleased with the effects of your medicine the there is nothing I would not give to procure it. You may see this as you please, for I think that so good a medicin should be known everywhere.

With gratitude I remain, Sir,

Yours truly,

DANIEL KREVER.

tion, which will be speedly cored by the Constitution Waster.

That disease known as FALLING OF THE WOMB, which is the result of a relaxation of the ligaments of that organ and is known by a seose of heaviness and dragging pairs in the back and sides, and at times accompanied by sharp lacinating or shooting pains through the parts, will, in an eases, be removed by the medicine.

There is another class of symptoms arising from IRRITATION OF THE WOMB, which physicians call Nervousness, which work covers up much ignorance, and in nine reside out of ten the doctor does not really know whether the symptoms are the disease, or the disease he symptoms. We can only commerciate them here. I speak more particularly of Cold Feet, Palpitation of the Heart, Impaired Memory, Wakefulness, Flashes of Heat, Languer Lassitude, and Dimness of Vision. MARIETTA FURNACE, May 22, 1863. Manutra Funnot, May 22, 1865.

BENJ. Mishler, Esq. — Detar Nr. Plesue send me by Pennsylvania Railroad 1/2 gross your calebrated Bitters as soon as possible. I am almost out of it, and I find it to be the very best Bitters manufactured.

I could practice you half a forem certificates if necessary in think all that is equived in the cash for the Bitters.

Yours truly.

Agent for B. Mishier.

The office for the sale of Mishier Bitters in Confre Square, where hundreds of cartificates can be seen.

The office for the sain of Mishlere is latters is in Confessions, where hundreds of cortificates can be seen.

Prilabelphia, May 27th, 1862.

Friend Mishler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I graya bottle to Max Neavin, a lady that had been troubled with the Dumb ages, and had taken so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise a mough. Yours, respectfully.

CHAS. P. Millibid.

B. Mishler—Dear Sir: This is to certify that I have been suffering with what the ductors call Chronic Distributes for three months, and I suffered so much with pain and grew so week, that the ductors had simost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six mouths: I had Rheumatter when I want there, and was unable to do anything. One of the inmuses of the Boopital city me three does of your Eliteres, and alterwards I test much better, and I have been taking them ever since and feet of it I am going to get sound and well. Your Bitters have been aften self-ensied the long thad I not got the Eithers. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any mers. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters have been a God's bleesing to me, such have restored me to pretty good health. Mr. A Fairer can tell all about it, as he is well acquisited with my sufferings rime I have been in the Hospital.

Program May 25th, 1863. This disease depends upon an inflammation of nucous lining of the vagina and womb. It is in all cases accompanied by severe pain in the back, across the bowds and through the hips. A teaspoonful of the medicine may be taken three times a day, with an injection of a tablespoonful of the medicine mixed with a half-plat of soft water,

JANES ZENZLY.

Mr. B. Mishler: This is to certify, that I have 'had an attack of the Gravel for about six mouths, and sometimes with a good bit of pain; at last it become so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bother of it, and I must say that it relieved me entiraly of my pain. Respectfully yours, JAN. SCHOCK.

LANCASTRE CITY. May 7th, 1862.

Mr. B. Mishler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given uy all hopes of getting better. I was induced to try your Bitters, and after using it a short time. I am happy to say I am aimout well, and by using a sew more bottles expect to be as hearty as formerly. I recommend it to those of my sax similarly afflicted.

Respectfully yours. HARRIET ORR irritate and drength the kidneys, and by constant use some lend to chronic degeneration and confirmed disease.

MOUNT JOY, May 13 1863 Mr. B. Mishler: My wife having been ufflicted cruciating pain in her hands and tect, several of cruciating pain in the thands and tect, several of the country of the count prominent physicians attended her but could give her little or no relief. I then had recourse to Mether's littlers; should have a but the palment of the remainder myself; before taking, i was overcome with drowshess whenever I would sit does, to read covering and would fall select, but since I tork the Bitter I feel as if I could "leap over a wall and un; through troop."

GEO. DRUCKENMILLLEIL. by W. H. denog-Dar Sir; In February, 1881, I was splitted with the sugar diabetes, and for five months I have I more than two gritons of water in two try-ton mon. I was obliged to get up as often as ten or tweety times arrine the night, and in five months I leet about fifty pounds in weight. During the month of Jely, 1861, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, seen after regaining my aspect weed health. Yours truly,

J. V. L. DE WITT.

Kranstown, May 4th, 1861

Mr. B. Mighter—Dear Sir: About three years ago there was a Lump or Swelling same on the side of my neck or jus, while continued to enlarge in size without openion. About two years ago, I drew if open with a poulitie. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people I am this day a sound man, and teel nothing of it at all; if has left no mark or trees of it to bind, all has given away.

we bottles I was entirely cured, seen after regaining my usual seed health. Yours trely,

J. V. L. DE WITT.

BORTON CENERS, N. V. Dec. 27, 1881.

WH. H. GEROG S. CO.

Gents: I treely give you libert; to make use of the fellewing Certificate of the value of Constitution Water, which i can recommend in the highest manner.

My afte, who was stacked with pain in the shoulders, whole length of the back, and in her limbs with Papillation of the briant, attached with Falling of the Woods.

Dysmenorthus, and Irritation of the is said. I althed a giby stant, who attached her shout three ments when we let ther some than he found on. I thus employed one of the best physicians I constitute as another the care in all distinguishments, and should be allow the attached ter about sills monthly, and when the another three repeated to respect to the considerable. For each the distinct some location of complaints, that medicine given for one positionation of complaints, that medicine given for one positionary of time other of her offsheddlers. About this time, who commenced to use the should then when the considerable is treatment, and those specification of the least of the constitution when the termination of medical sites, and the second to leave the distinct offset at the statement of the leave the distinct offset, and the Regit on improving rapidly under its treatment, and now appendicted sentingly her distinct when for a superintends entirely her distinct when for the work and the superintends entirely her distinct when for the work and the superintends entirely her distinct when the work and an and the superintends entirely her distinct of the for for a superintends entirely her distinct of the form of the superintends entirely her distinct of the form of the superintends entirely her distinct of the form of the superintends entirely her dist Exnoasts. May 6, 1805.

R. Michier—Dear Sir: I had pain in my head, slide and back, in connexion with chills and fever, which alarmed me vory much from the fact of my having a very severatack of Tythoid Faver, while connected with the Army. I longht one bottle of your Herb filters, and when I got home I took two doses of it which relieved me almost immediately. I am taking two doses per day now and feel as well as ever I did. Not being a citizen of this piace, I just happen d to be here soling Patient Pumps, and heard your filters occumended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by uning your filters. I am stopping at the it auklin House. Forth Queen street, in this city, and will be died to testify to the above, to any one calling at the aforementionen place, or at Coatesville, Chester county, which is in permanent residence. EXOCI BUNIAR.

Mitrono, G.S. 18, 1891.

Dear fair: I have for asystem joints, etc., stilleted with that troublesome and stanctons, diseases—Gravel—which resisted all refinedles and doctors, antil I look Constitution Water, and y. u may be assured that I was exceedingly pleased with the result. It has entirely cured mo, and you may make any use of my name join may see fit. In regard to the medicine, as I have entire confidence in its efficacy.

Yours truly.

POND STRONG. Lancesten. April 20th, 1865.

B. Mispler—Dear Sir: This is to certify that I have been attending fire in a bake oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I bave used them, my sight is returning fast. I can now wall without a case and see where I go. I was digging gardon to-day and could see the worms crawling about in the dug-up-earth. Respectfully.

HENRY J. ETTLE. There is no class of discases that produces such exhausting effects upon the human constitution as Diabetes and Diames of the Kilneys, Bladder and Urinary Passargs, and through a false modesty they are neglected until they are so givened as to be beyond the control of ordinary remedies, and we present the

Hespectially.

Mar. R. Mishiga—Dear Sir: My daughter, a young girl about 12 years of age, cought a cold in her oyes carly, ast spring which afflicted her se touch that I was afraid she would lose the eight of one of her g.es. She foundly got so had that it was found necessary to keep her continually in a dark room; allowing not seen yeardly to be lit. About three weeks ago I was induced to give her a bottle of your latters, and am happy to say that one bottle cured her so completely that she is now able to go to shoot.

S. ALLGEIER.

to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful to enting; and we trust that we shall be rewarded for our effects in placing so resultable a remedy in a form to meet the requirements of patient and observation.

The above are but a very small number of the certificates received. Any one diabiting the genuinones of any certificate published is requested to call and examine the original.

These Bitters are not recommended as a beverage, but they are recommended for their nacdicinal virtues. They are a sure cure for Dyspepsis, Liver Complaints, Gravel, Ferer and Ague, Week Ruees, Pain in the Limbs, and all diseases arising from a deranged state of the Stomech or impurity of the blood.

TO THE LADIES!

Are twice in Delicate Health, suffering from irregulanties, them whatever came, will had this reclicine a sate and certain to alstore but, has an remedies of the class, it should be used with caution by married women.

PARRANT'S COMPOUND EXTRACT
OF CUBERS AND COCATE
This preparation is particularly assumed to the
desited Profession and the Public, for the preparat Alreona, Pa. May 1, 1965.

Dr. Whitfield—sir: This is to entity that I have been afflicted with the litheum tism for many years, and have tried many things said to be cures without any relief. I am employed drying sand for the P. R. R. and having to be in the damp and steen nearly all the time, I was alraid that I never would get weit again. Once for my arms has been so bed that I was afraid I would lose the use of it altigether; it was so weak and painful that I had to raise it with my other hand whonever I wished to change its position. The bottle of Mishler's Herb litters I get frem you the other day, has so much relieved me that I can now raise my arm without difficulty and it is getting as strong as ever.

Medical Profession But the FLORE, as plomps and certain cure of SOF THE ELADDER, KIDNEYS, URINARY ORGANS, ET.

It may be rolled on as the best mode for the administration of these remodies in the large class of diseases of both saxes, to which they are applicable. It never interferes with the digestion, and by its concentration the dose is nuch reduced.

TO THE PEOPLE OF THE UNITED

In the month of December, 1858, the undersigned for the first time offered for saie to the public Pr J. Bovee Dode' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of beddiy and mental misery arising simply from a neglect of small complaints is sur prising, and it is therefore of the atmost importance that a strict attention to the least and most triding boddly ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only sak a trial of

rist of DR. J. BOVEE DODS!

IMPERIAL WINE BITTERS!!

from all who have but used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General behilty, and proposed their properties of the cure of the product of the blood, are These Bitters for the curs of Weak Stemachs, Genoral Debility, an: for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine tisalt is of a very superior quality, being about one-third stronger than other, wines; warming and invigorating the whole system from the head to the first. As these litters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit a parts, by equalitying the circulation, removing obstructions, and producing a general warmin. They are also excellent for Diseases and Weakness peculiar to Femaca, where a Tonic is required to strengthen and brace the system. No Lady, who is subject to lessitude and feintness, should be without them as they are revivilying in their action.

THESE BITTERS WILL NOT ONLY CURE, BUT PREVENT DISEASE, and in this respect are doubly valuable to the person whomas for each time.

a fine tone and nature action to shirt by parts, of each ing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Dissasses and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No Lady, who the study to lassified and featuress, should be without them, as they are revivifying in their section. HTTPLE BITTERS MUL NOT OVLY CURR, BUT PRE-AVENT DISEASE, and in this respect are doubly valuable to the person who incomply the study of the subject of them. For INCIPIENT CONSUMPTION, Wask Lungs, Indigestion, Dyspopsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic DR. DiDS CELEBRATED WINE BITTERS ARE UNBURNASSED!

For Sore Throat, so common among the Olergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Bock Keepers, Tailors. Seamstresses, Students, Artists, and all persons leading a sedentary life, they will be needed in the will be used by all beneficial.

As a Reverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating a valuable remedy for persons addiced to the use of exceptive strong drink, and who wish to refrain from it. They are pure and entirely free from the pulsons contained in the adultorated Wines and Educors with which the water is bad, or where Chills and Fevers are previated.

These Bitters not only Cure, but Prevent Disease, and act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby escentially adiative and control of the country is flooded.

They are pure and entirely free from the pulsons contained in the adultorated Wines and Educors with which the water is bad, or where Chills and Fevers are previated.

They are pure and entirely free from the pulsons contained in the adultorated Wines and Educors with which the truly wall be used by all the life of the pulsons and the pulsons o

The many certificates which have been tendened us, and the letters which we are daily receiving, are concludive proof that among the women these officers have given a satisfaction which no others have done before. No woman in the land should be with all their, and those who once

guished medical practitioners, who pronounced them a valuable timed for disease.

Although the medical men of the country, as a general camp disapprets of its entitled from so as to preserve to the properties, who will not a reper table Physician can be found in the United States, acquained with their medical properties, who will not highly approve DR. J. BOVEE DODS IMPERIAL WINE BITTERS.

In all newly sottled places, where there is always a large quantity of decaying timber from which a poisonous magnetic force the properties of the properties of the properties of the properties of the will be used of the properties of the properties of the will be sufficiently and perfumers.

In all newly sottled places, where there is always a large quantity of decaying timber from which a poisonous magnetic force the wild call the attention of Parents an entitle of the properties of the propert are instrumentally Dr. Dods himself, who is an experi-enced and successful Physician, and hence should not be cassed among the quack nostroms which those the country, and exainst which the Medical Protession are so justly projudiced.

projudiced.
These truly valuable Bitters have been so theroughly tested by all classes of the community for almost every variety of disease incident to the numan system, that they are the document indispensable so a TONIC, METICINE AND A BEVERAGE.

air or scalp.

The HYPERION does not in any manner interfere with The HYPERION does not his any manner interfers with
the

NATURAL SOFTNESS OF THE HARIS.
It neither scorches not dries it. The HYPERION can be
so applied as to cause the Hair to curl for one day, or for
one week, or for one meath, or any longer period desired.
The HYPERION is the only article in the world but
that can be connectedied or initiated by uprincipled persons. To prevent this, we do not offer it for sale at any
Druggis' in in the United States.
Therefore, any Lady or Gentleman who desires to
teastify themselves by using the HYPERION, must in
close the PRICE, ONE DOLLAIK, in a letter, and
Address.

JAMES P. DYSART.

Sign of the Big Watch, No. 10, West King St., Lancaster.

cutaneous affections of the Scaip.

FOR BEAUTTFYING THE HAIR, imparting to it an ausgualled gloss and brilliancy, making it soft and silk in its texture and causing it to curi readily.

The great celebrity and increasing definant for this prepration, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior quittee over any other proparation at present in use. It has a the head and scalp from darkind and other cutal, or diseases. Causes the hart of grow luxuriantly, and give it a rich and, glossy, and flexible appearance, and also where the own is fooseding and thinning, it will give strongth at vigor to the roots, and restore the grown to those parts which have become baid, answing it to yield a fresh covering or har.

There are fundrods of Isdies and gentremen in New Yors who have not their hair restored by the use of this living cratter, when all other preparations had failed. L. M. he in his possession interest income and failed. L. M. is in this proposition of the highest respectability, will effectually prevent the hair from turning gray unit he latest period of life; and in cases where the king, ha already changed its color the use of the Invigoration will effect out to the proposition of the thing and the great facilities it afford in dressible fragrance; and they great facilities it afford in dressing the bair, which, when moist with the larvigoral of the dressing the bair, which, when moist with the larvigoral of the desired of the dressing the bair, which, when moist with the larvigoral of the dressing the bair, which, when moist with the larvigoral of the dressing the bair, which, when when moist with the larvigoral of the dressing the bair, which, when when moist with the larvigoral cases. The many certain no latters which we are uses, proof that among the women these contents of the latter problem of the land should be with at them, and those who once use them will not tait to been a supply.

DR. J. BOYLE DODS' IMPERIAL WINE BITTERS are persued by an eminent and skiffin physician who has used hem successfully in his practice for the last two latters, involved the monitoring of the latter period of life; and in cases the latter, proof to monitoring and sell Br. J. Ecces chief to be still be latter period of life; and in cases the latter period of life; and in cases will establish the latter period of life; and in cases the
