During the month of July, 1881, I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. My wife, who was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart, attended with Falling of the Womb, Dysmauorrhae, and Irritation of the Bladder. I called a physician, who attended her about three months, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her about nine months, and while she was under his care she did not suffer quite as much pair; he finally gave her up and sald, "her case was incurable." For, said he, "she has such a combination of complaints, that medicale given for one operates against some other of her difficulties." About his time, she commenced to use the Constitution Water, and to our utter astonishment, almost the first does seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permanent cure.

Yours truly, POND STRONG.

There is no class of diseases that produces such exhausting effects upon the human constitution as Diabetes and Diseases of the Kidneys, Bladder and Urinary Passages, and through a false modesty they are neglected until they are as advanced as to be beyond the control of ordinary remedies, and we present the

I am now able to walk without the sid of crutches. My legs are still bent, but if I continue to improve as I have been doing of the last two or three weeks, I think I shall soon be a well as ever. My general health has also improved, and is better now than it has been for years. I make this statement for the benefit of the afflicted, and would invite all to call upon me, and I will give than all the information on the subject in regard to my case.

ANOTHER REMARKABLE GURE.
A CASE OF PARALYSIS RELIEVED BY
MISHLER'S BITTERS.
The testimony is every day accumulating that Mishler's
Bitters is performing wonders, and its time is gradually
but rapidly spreading over the continent. Each the following certificate, selected from hundreds received weekly. It

ing certificate, selected from hundreds received weekly. It speaks for itself:

NEFFSVILLE, June 5, 1863.

Ms. B. Mishles—Kr: About Christmast, my youngest daughter, a girl of fifteen years of age, was attacked with paralysis, which confined her to her bed, where she lay perfectly helpless and suffering the greatest pain. I procured the attendance of our medical men in the neighborhood, but, in spite of their best efforts, she grew daily worse and worse. She was so helpless that it was impossible for her to sit up, even when propped by pillows, for when, to ease her, we would raise her up, she would fall over betkwards, or lie on one side or the other, and indeed had no strength or power or control over her motions at all. On the 26th of last month, by the advice of Henry Minnich, I came to see you, and, from what you told me, I concluded to try vour Herb Bitters. I took a bottle ont home with me, and my daughter commenced taking it. She has used that bottle, and the effect is so great that I want to take out some more with me, and I am confident now that what you told me was perfectly true, and that my daughter will shortly be entirely recovered. She is now able to leave her bed, and can sit in a common chair, and can stand on her feet, without any pain; she can raise her hands to her head, and remains out of bed most of the day. I am so pleased with the effects of your medicine that there is nothing I would not give to procure it. You may use this as you please, for I think that so good a medicine should be known everywhere.

With gratitude I remain, Sir, STONE IN THE BLADDER, CALCULUS, GRAVAL, BRICK DUST DEPOSIT, AND MUCOUS OR MILKY DISCHARGE APTER URINATING. Disease occurring from one and the same cause will be entirely cured by the Constitution Water, if taken for any length of time. The does should vary with the swerity of the disease, from twenty drops to a teaspoonful three times a day, in water. During the passage of the Calculus, the pain and urgent symptoms should be combated with the proper remedies, then followed up with the Constitution Water, as above directed. Both diseases arising from a faulty secretion of the men-strual fluid—in the one case being too little, and accom-panied by sware pain; and the other a too profuse secre-tion, which will be speedily cured by the Constitution That disease known as FALLING OF THE WOMB, which the result of a relaxation of the ligaments of that organ, it known by a sense of heaviness and dragging pains the back and sides, and at times accompanied by starp cinating or shooting pains through the parts, will, in all ases, be removed by the medicine.

Yours truly,

MARISTIA FURNACE, May 22, 1863.

BEEL, MISHLER, ESQ.—Dear Sir: Please send me by Pennsylvania Rallroad ½ gross your celebrated Bitters as soon as possible. I am almost out of it, and I find it to be the very best Bitters manufactured.

I could procure you half a dowen certificates if necessary; but knowing the Bitters will do what is represented, I think all that is required is the cash for the Bitters.

Yours truly,

Agent for B. Mishler.

The office for the sale of Mishler's Bitters is in Centre Square, where hundreds of certificates can be seen.

PHILADELPHIA, May 27th, 1868.
Friend Mithler—Dear Sir: I wish you to send me i Friend Mithler—Dear Sir: I wish you to send me immediately, one or two cases of your Bitters. I gave a bot the to Mrs. Neavin, a lady that had been troubled with the Dumb Ague, and had taken so much quinine that her appetite had left, and was so much troubled with pain in all her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of

her joints that she was not able to be about. She has used one bottle, and she can now attend to the duties of her household; in fact she can not give it praise e nough. Yours, respectfully,

LANGASTER, May 37th, 1863.

B. Minher—Dear Sir: This is to certify that I have been suffering with what the doctors call Chronic Diarrobox, for three months, and I suffered so much with pain and grew so weak, that the doctors had almost despaired of my getting well, and indeed I had almost given up myself. I have been at the Lancaster Hospital for six months; I had Rheumatism when I went there, and was unable to do anything. One of the inmates of the Hospital give me three doces of your Bitters, and afterwards I felt much better, and I have been taking them ever since, and feel as if I am going to get sound and well. Your Bitters have proved themselves to be a cure for me, and I am thankful for it. I do really think I could not have lived this long had I not got the Bitters. I also had Gravel, which has troubled me for a long time, of which I feel nothing of any more. I suppose it must have been the Bitters that took that away, as it works you say in that way. Indeed the Bitters that took that away, as it works you say in that way. Indeed the Bitters that took that away, as it works you say in that way. Indeed the Bitters that well acquainted with my sufferings since I have been in the Hospital.

PROURA. May 25th, 1863.

PEQUEA, May 25th, 1863. Mr. B. Mishler: This is to certify, that I have had an attack of the Gravel for about six months, and sometimes with a good bit of pair; at last it becomes so that I had to rise five or six times in a night on account of my water, so I concluded there must be something done. I have seen your Herb Bitters recommended in one of your bills; so I thought I would give it a trial. I have used two bottles of it, and I must say that it relieved me entirely of my pain.

Respectfully yours, JNO. SOHOOK.

Mr. B. Mithler—Sir: I have been subject to inward weakness and pain in the small of the back for the last ten years, and had given up all hopes of getting better. I was induced to try your Bitters, and after using it a short time, I am happy to say I am almost well, and by using a few more bottles expect to be as hearty as formerly. I recommend it to those of my sex similarly affilted.

Respectfully yours,

HARRIET ORR.

Mount Jor, May 13, 1863. Mr. B. Michler: My wife having been affilicted with ex-pression pain in her hauds and feet, several of our most prominent physicians attended her but could give her little or no relief. I then had recourse to Mishler's Bitters; she took half a bottle, and the pains entirely left her. I took he remainder myself; before taking it I was over with drowsiness whenever I would sit down to read or write, and would fall asleep, but since I took the Bitters, I feel as if I could "leap over a wall and un through a troop," GEO. DRUOKENMILLER.

REAMSTOWN, May 4th, 1863.

Mr. B. Mithler—Dear Sir: About three years ago there was a Lump or Swelling came on the side of my neck or jaw, which continued to enlarge in size without opening. About two years ago, I drew it open with a poulitie. I commenced to use your Bitters about three months ago, which has driven the swelling all away, and besides has taken a lump of hard substance from the opening which you can have to show to the people. I am this day a sound man, and feel nothing of it at all; it has left no mark or trace of it behind, all has gone away.

May 6, 1863.

B. Minhler—Dear Sir: I had pain in my head, side and back, in connexion with chills and fover, which alarmed me very much from the fact of my having a very severe stack of Typhold Fever, while connected with the Army. I bought one bottle of your Herb Bitters, and when I got home I took two doses of it which relieved me almost inmediately. I am taking two doses per day now and feel as well as ever I did. Not being a citizen of this place, I just happened to be here selling Patent Pumps, and heard your Bitters recommended so highly by different ones, I concluded to try it, and such are the facts of the benefits I received by using your Bitters. I am stopping at the Frankin House, North Queen street, in this city, and will be glad to testify to the above, to any one calling at the aforementioned place, or at Coateeville, Chestor county, which is my permanent residence.

RNOCH DUNLAP.

Liancaster. April 20th, 1863.

B. Mishler—Dear Sir: This is to certify that I have been attending fire in a base oven for thirty-two years which caused me to lose my sight for about five years. I have been using your Bitters, and since I have used them, my sight is returning fast. I can now walk without a cane and see where I go. I was digging garden to-day and could see the worms crawling about in the dug up earth. Respectfully,

MORE TESTIMONT
LANGASTER, June 25th, 1863.

MR. B. MISHLER—Dear Sir: My daughter, a young girl about 12 years of age, caught a cold in her eyes early last spring, which safficted her so much that I was afraid she would lose the sight of one of her eyes. She finally got so bad that it was found necessary to keep her continually in a dark room, allowing not even a candle to be lit. About three weeks ago I was induced to give her a bottle of your bitters, and am happy to say that one bottle cured her so completely that she is now able to go to school.

S. ALLGEIER.

I have also used the Bitters for a severe Diarhoes and they completely cured me. No one should be without them. I am determined to have some in the house all the time.

TO THE PEOPLE OF THE UNITED

STATES.

In the month of December, 1858, the undersigned for the first time offered for saie to the public Pr. J. Bores Dody: Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small compliants is sur prising, and it is therefore of the utmost importance that a strict attention to the least and most trifling, bodily allment should be had; for diseases of the body must invariably affect the mind. The subscribers now only sak a trial of

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only accessory to make the trial. The Wine itself is of a very superior quality, being about one-third stroages than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to allit a parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness poouliar to Femnles; where a Tonic is required to strangthen and hrace the system. No Lady, who is subject to leastifude and faintness, should be without them, as they are revivilying in their action. them, as they are revivifying in their action.
THESE BITTERS WILL NOT ONLY CURE, BUT PRE
VENT DISEASE, and in this respect are doubly valuable to the person who and in this respect an account of the ms y use them. For INCIPIENT CONSUMPTION,
Wask Lungs, Indigestion, Dyspepais, Diseases of the Nervous System, Paralysis, Piles, and for all cases required.

Wask Lungs, Indigestion, Dyspopsis, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tool:

DR. DODS' CELEBRATED WINE BITTERS ARE UNSURPAREED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Arkists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the tasts. They produce all the arhillarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only Oure, but Prevent Disease, and should be used by all who live in a country where the water is bad, or where Chillis and Fevers are prevalent. Being entirely innocent and harmiess, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land, and thereby essentially add in banishing Drunkenness and Disease.

IN ALL AFFECTIONS OF THE HEAD, SICK HEAD—AOHE, OR NERVOUS HEADACHE, DR. DODS' IMPERIAL WINE BITTERS WILL BE FOUND TO BE ROST SALUTARY AND EFFICATIOUS.

FEMALES.
The many certificates which have been tendered us, and the latters which we are daily receiving, are conclusive proof that among the women these Sittars have given a satisfaction which no others have done before. No woman in the land should be without them, and those who once in the land should be without them, and those who once use them will not fall to keep a supply.
DR. J. BOVEE DODE IMPERIAL WINM BITTERS are prepared by an eminent and akilthi physician who has used them successfully in his practice for the last twesty-five years. The proprietor, before purchasing the exclusive right to manufacture and sail Dr. J. Eovee Dode Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical men of the country, as a general thing disapprove of Patent Medicines, yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve DR. J. BOVEE DODE IMPERIAL WINE BITTEES.

In all newly settled places, where there is always a large WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these bitters should be used every marginar before hearting. orning before breakfast.
DR. J. BOVEE DODS' IMPERIAL WINE BITTERS

are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly projudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a TONIC, MEDICINE AND A BEVERAGE.
