John Royer, editor of the *Independent Phenix*, having used it, has no hesitation in pronounc-ing it a complete remedy for cough, hoarse-ness and trilation in the throat. The West Chester Jefersonian says: "We have known Dr. Oberholtzer personally a num-ber of years, and it gives us the greater pleas-ure to recommend his medicines, inasmuch as the public rarely have the benefit of family medicines prepared by a physician of his ao-quiraments and experience." Dr. Oberholtzer is a member of the Alumni of the Medical Department of the University of Pennsylvania, at which institution he grad-unted in 1853. The Reading Gazette says: "This cough rem-edy is made by Dr. L. Oberholtzer, of Phenix-ville, Pa., and it has acquired an unsurpassed reputation in curing coughs. It is carefully and sknikuly prepared from Wild Cherry Bark and Seneka Snake Root." WISTAR'S BALSAM OF WILD CHERRY Sogeneral has the use of this rengedy become and so popular is it everywhere, that it is un-necessary to recound its virtues. Its works speak for it, and find utterance in the abun-dant and voluntary testimony of the many who from long suffering and settled disease have by its use been restored to pristine vigor and health. We can present a mass of evidence-in proof of our assertions, that CANNOT BE DISCREDITED.

THE REV. JACOB SECHLER, Well known and much respected among th German population in this country, makes th following statement for the benefit of the afflicted:

following statement for the benefit of the afflicted: HANOVER, Pa., Feb. 16, 1859. DEAR SIRS: Having realized in my family important benefits from the use of your valua-ble preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my da.ghters seemed to be in a decline, and little hopes of her recovery were entertained. It hen procured a bottle of your excellent. Bal-sam, and before she had taken the whole of the contents of the bottle there was a great im-provement in her health. I have, in my in-dividual case, made frequent use of your value able medicine, and have also been benefitted by it.

FROM JESSE SMITH, ESQ., From JESSE SMITH, ESQ., President of the Morris County Bank, Morris-town, New Jersey. "Having used Dr. Wistar's Balsam of Wild Cherry for about fitteen years, and having re-alized its beneficial results in my family, it af-fords me great pleasure in recommending it to the publicas valuable remedy in case of weak lungs, colds, coughs, &c., and a remedy which I consider to be entir ily innocent, and may be taken with perfect safety by the most delicate in health."

FROM HON, JOHN E. SMITH, A distinguished Lawyer in Westminster, Md I have on several occasions used Dr, Wistar's Balsain of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.

The Balsam has also been used with excellent effect by J. B. ELLIOTT, Merchant, Hall's Cross Roads Md
