These Bitters are rapidly winning their way to public lavor, and before long will be the only ones in popular demand. The cures they have effected for year past has induced the proprietor to brigger and more particularly before the people. They are not a new renedy, the recipe for making the "Bitters" having been in the possession of the proprietor for many years. The ingredients are composed of the following medicinal herbs and roots, all possessing well known curative owners, and are warranted not to contain any other article: Elecampane, Burdock, Spikemard, Soanwort, Peruvian Bark, Bartos, Spikemard, Spikemard, Chebes, Dandelien, Pure Spirits and Barberry. The Bitters have been used by persons afflicted with various diseases for some years past, and such has been their success in curing the most obstinate diseases, that the proprietor is now induced for the first time to offer them to the public, with the full confidence and a willingness to guarantee that if properly used they will effect permanent cures in the most obstinate cases of diseases. They are a certain remedy for Dyspepsia, Liver Complaints, Loss of Appetite, Nervous affections, Intermittent Fever, Fever and Ague, General Debility, or Weakness caused by exposure, imprudence or excess, Coughs and Colds, Diarrhea, Headache, Cholera Morbus, Rheumatism or pains in the limbs, Cramp in the Stomach, Neuralgia, Diseases of the Skifin, such as Scrotul B .
