I have known Hoofland's German Bitters favorably for a number of years I have been so pleased with the reflects, that I was indiced to recommend them to many others, and know that they have operated in a strikingly benefi-cial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that m: recommen-dation will be sustained. I do this more dheer-full as Hoofland's Bitters is intended to benefit the afflicted, and is '' not a rum drink.'' Yours, truly LEVI G. BECK. Tuesday, Feb. 13, '66.' Wednesday, Feb. 14 LEVI G. BECK.
 From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphi.
 Although not disposed to havor or recom-mend Patient Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasofs wily a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.
 I do this the more readily in regard to Hoof-land's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the im-pression that they were chiefly an acoholic mixture. I am indebied to my friend Robert Shoemaker, Esq., for the removal of this preju-dice by proper tests and for encouragement to try them when suffering from great add long continued debility. The use of three bottles of these Bitters at the beginning of the present which I had not feit for six months before, and had almost despaired of regaining.
