CHOCKING ACCIDENTS. MANY KILLED AND A LARGE NUMBER WOUNDED.

MANY KILLED AND A LARGE NUMBER WOU'NDED.

Over two numbered a cidents from kicking and running away of hoses occurred during the past year, in Lancaster county alonemearly all of which resulted in injuring the drivers, killing some, maining and wounding others, and in mest cases, breaking oostly carriages and hurting the hors.

Of the above, mine-tenths were tame family horses. The Saiety Bridle will put an end to all such needless accious, and with the safety Lines, the speed of every horse is easily much increased.

At a special meeting of the Saidders of Lancaster county, Pa., held in Lancaster city, Nov. 27, 1855, the following resolutions were unanimously adopted:

Whereas, The equipment of the Saidders of Lancaster county, Pa., held in Lancaster city, Nov. 27, 1855, the following resolutions were unanimously adopted:

Whereas, The equipment of the saidders of Lancaster county, Pa., held in the presence of from one thousand to fifteen hundred persons to their entire satisfaction; and entered it was proven at the Mi levstile lorse axhibition on four of the most vicious and confirm the way in the latest to kiels or run away; therefore Resolved, That we, the Saidders of Lancaster county, Pa., heldeve that the Saidty Bridle and Linnes accomplish all, and even more, it an is claimed by the patentee, in preventing horses from kicking and running away.

Resolved, That in view of the above facts, we deem it our legitimate duty both individually and collectively, to exert all honorable means to at once introduce the Bridle and Linnesser prevent all achieuts with horse, while with the old and detective bir I be we put in great Jeopardy both I he and dimb.

Resolved, That in relative we manufacture no ofter in the safety Bridles, while is specially ordered.

The price of Individual Rights is \$5 each; County Rights, from \$10,000 s \$00.00, according to population—these containing arge citle excepted.

excepted.

No other investment before the public presents such inducements of making money. In ever county there are at 1 ast twenty townships, and in each township, I least one hundred persons who drive norses—which a five dollars for an individual right will amount to \$500 per township, and ten thoused dollars (10,000) for each county at the rate of twenty townships at five undred dollars each? I have not the least donn but that amount of money can be made out of a county with proper business that and energy. The price of count, as is so shall as to pace the investment in the hands of every one, for few are so poor as to be unable to raise one hundred do has.

Another teature about this invention is that the proprietor of territory need not manufacture their sides and times, as the ordinary bridle can be easily all red into a Safety. The lines only require to be made to order, and these can be made by any saddler for a trifle more than the ordinary lines. Hence, unlike other patents, the right to use it only is sold.

No man need whish for a genter for une than right of a State. To show the confidence the patent ee has in a is invention, he offers to pay one thousand dollars for any horse that can either kies or run away when under the Influence of the Safety Brid e and Lines. For County and State rights address for circular, and for Individual Rights, enclose \$5 to 8. B. Hartman, Millersville, Lancaster co., Pa., Box 28. xcepted. Numerous remedies were recommended by friends, and some of them tested, but witnout relief. Your Hoothand's German Bitters were recommended by persons who had tried them, and whose flavorable mention of these Bitters induced me to try them. I must confess that I nad an aversion to Patent Medicines from the "thousand and one" quack "Bitters," whose only aim seems to be to paim off sweetened and drugged liquor upon the community in a siy way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation I took it with happy effect. Its action, not only upon the Ma tic, Manor, Mount Joy, Mount Joy Borough, Monday, Feb. 19. From the many respectable recommendations given to Dr. Hoofmad's German Bitters,
I was induced to give them a tria. After
using several bottles I found them to be a good
remedy for debility, and a most exc. lient tonic
for the stomach. From Rev. Wm. Smith. Iormerly Pastor of the Vincenttown and Allivine (N. J.) Baptist Churches.

Having used in my family a number of bottles of your Hootland's German Bitters, I have to say that I regard them as an excellent medicine, specially adapted to remove the disenses they are recommended for. They strengthen and invigorate the system when debilitated, and are useful in disorders of the liver, loss of appetite, ec. I have also recommended them to several of my friends, who have tried them, and found them greatly beneficial in the restoration of health.

Yours truly

PILLS AND SALVE.

These Life-giving remedies are now, for the first time, given publicly to the world. For over a quarter of a century of private practice the ingredients in these

LIFE-GIVING PILLS!

have been used with the greatest success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering, and reinvigorates the iailing system. To the aged and infirm a few doses of these valuable Pilis will prove to be

A VERY FOUNTAIN OF YOUTH.

for in every case they add new life and vitality and restore the waning energies to their pris-tine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and sterling medicine. Here is a dream realized, that Ponce-de-Leon sought for

three hundred years ago, and never found. He looked for a fountain that would restore the old to vigor and make youth ever

AN ETERNAL SPRING!

It was left for this day and hour to realize the dream, and show, in one glorious fact, the magic that made it fair.

THESE FAMOUS REMEDIES

cannot stay the flight of years, but they can force back, and hold aloof, discuse that might triumph over the aged and the young. Let none hesitate then, but selze the favorable opportunity that offers. When taken as prescribed—

FOR BILIOUS DISORDERS

nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once; and the usual concomitants of t is most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect in prescribed doses to the youngest bate.

FOR CUTANEOUS DISORDERS

And all eruptions of the skin, the SALVE is most invaluable. It does not heat externally

most revaluable. It does not heaf externally alone, but penetrates with the most searching effects to the very root of the evil!

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia, at present Pastor of the Baptist Church, Chester, Pa. I have known Hoofland's German Bitters favorably for a number of years' I have used them in my own lamily, and have been so pleased with the Heffects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. Ido this more cheerfold as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Heligious Knowledge and Christian Chronicle, Philadelphi
Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the b-nefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, ot this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoetmaker, Esq., for the removal of this prejudice by proper tests and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend directing me to the use of them.

Dear Sir: I feel it due to your excellent preparation, Hoofiand's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted, I confiden ly recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.
