PURE AND FOUR YEARS OLD.

For the Communion Table, for Family Use; and for Medical Purposes.

This is an article of Wine from the Pure Port of the Consumptive, fermented, without the addition of spirics of any liquors whatever. Has a full body, rich flavor, and slightly stimulating.—None is disposed of until four years old.

The beneficial effect derived from it use is astonishing thousands, and cannot be realized from other wine, nor from the thousands of Patent Bitters now crowding the market.

All who try it express their surprise that so delictous a Wine is produced in this country, and that it is so far different from what they had expected.

Some who knew nothing further of the Wine then seeing it advertised, thought at first it was a humbug, not knowing it was pure grape ulce, have found out their mistake, and now lay their lives to the use of this Wine.

The Evening Transcript notices it in the following flattering terms:

The CHOLERA—Its Prevention and Cure.—Notwithstanding the exertions of the best medical men of New York, this frightful disease still continues. It is therefore the duty of every one to prepare for its advent in this city by strictly sanitary measures, personal clean-liness, and the proper remidles at hand, in case of an attack. It is generally known that the most efficacious remedy for cholers is that which possesses the most heating properties.—This was proved in the summer 1833. Among the remedies offered the Herb Bitters prepared by Mr. B. Mishler, of Pennsylvania, are highly recommended as a preventive of this frightful scourge. The qualities claimed for the Herb Bitters are, that they diffuse a genial warmth, accelerate a healthy action upon the skin and strengthen the system, enabling it to resist the disease. It is but three years since this preparation was introduced to the public, yet it has attained great popularity in the treatment of dyspipsia, liver complaint, fever and ague, intermittent, remittent and typhold fever, loss of appetite, nervous affections, rheumitism, and in fact all disorders resulting from a deranged stomach or impurity of the blood. The proprietor publishes a paje relevoted to the explanation of this remedy and the area performed by it. Among a great number of certificates will be found a letter from the Rev. J. H. McCord, dated Baltimore, April 0, 1833, who certifies that he was cured on which they are composed. In his paper will be found the names of the different herbs used, all of which possess medicinal and healing qualities. The possess medicinal and healing qualities. BALTIMORE, May 4, 1866.

MR. BENJ. MISHLER-DEAR SIR: We want you to send us five barrels of your bitters immediately. We must have it at once, as we are nearly out. We sold this morning fifty bottles to one man, and could sell all we have in the store in the course of the day. There are several parties who have called on us for ten and twenty galton; another who wants a whole barrel. Our stock is so reduced that we will not be able to let any one individual have more than a sgallon or two until our supply is replenished. We must keep enough on hand to supply the retail trade, which is great and increasing demand. The dread of the cholera is giving it an extended reputation and sale. We are thinking of getting Professor Alken to analyze it. Bhall we do so?

Respectfully yours,

2d, Running Sores and Ulcers.—Running sores and ulcers invariably indicate a scrofulous taint. They are caused by the efforts of nature to discharge the impurities of the blood. Many persons afflicted with running sores and ulcers succeeded in drying them up and think they are cured when the skin grows over the sore. They are, however, "but making bad worse," for the impurities that were discharged from the system through the medium of the sore now act internally and cause innumerable diseases and often death. The only true and sure cure for all running sores and ulcers is Mishier's Bitters, a continued and persevering use of which will most certainly effect a permanent cure. use of which will most certainly effect a permanent cure.

3d, Salt Rheum.—Salt Rheum is a vague, in definite, though, popular term given to almost all the non-febrile eruptions of the skin mich afflict adults. It is generally an eruption of vesicles in small, distinct ulcers, accompanied with a smarting, tinglingsensation, with a tendency to creep or spread over the adjoining surface. Mishler's litters are a surceure for this disease.

4th. Pimples and Blotches.—Pimples and Blotches on the skin are always a sure sign of impure blood. Although never dangerous, except in cases of carbuncles, they are very disagreeethe. Often we will see the most handsome features rendered hideous by great blotches and pimples, and instead of the pleasingilook which should irradiate the human face we see nothing but disgusting corruption; for pimples and blotches are nothing but the corrupt accumulations of the system expelled through the medium of the skin. The use of Mishler's Blitters, will force these corruptions to be discharged through the natural channels, and thus cures all kinds of pimples and blotches. Ladles who desire a fair completion, free from pimples should bear this fact in mind. tiddw

EFFICACY OF MISHLER'S BITTERS. WONDERFUL CURE OF NEURALGIA!! Mr. Benjamin Mishler, the proprietor of that most efficacious remedial agent, Mishler's Herb Bitters, has just received the following certificate of a most remarkable cure effected by means of his Celebrated Medicine E G Groff who signs the certificate, is a Justice of the Peace in the town of New Holland, Lancaster county, and is too well known to the people o that populous section for honesty, intelligence and truthfulness to admit of the least doubt in regard to the entire accuracy of the statement to which he has voluntarily attached his name. No man in Lancaster county will ask mor

than the word of Esq. Groff for the authentica-tion of the wonderful cure to which he so fully testifies. Read the following certificate and be convinced. Apply the remedy if you would be cured:

NEW HOLLAND,
Lancaster county, Pn.,
April 16th, 1886.

Mr. Benjamin Mishler—Dear Sire:—I deem it
but due to you that I should give you a statement of the cure effected in the person of my
mother, Mrs. Nancy Groff, by the use of your
Herb Bitters. For a number of years she had
been much afflicted with the most distressing
pains in different parts of her right side. Some
times her arm and shoulder were affected, but
more generally her leg and hip. So affected
did these become that she was at last bed-ridden for a considerable portion of the time, and
when comparatively free from pain quite unside to move about the house, except with the
aid of a cratch or cane. Her life was thus made
a scene of painful distress and existence almost
a burthen. She had applied to all the physicians within reach, and had diligently used
such medicines as they gave her, but all to no
purpose. They pronounced her disease to be an
incurable neuragic affliction. At length however, something like eighteen months since,
she began to use your valuable Herb Bitters.
At once there was the most remarkable change,
She was speedily relieved to a very great extent
from the pain which had been the constant
torture of her life, and in the course of same
six months was so completely restored to
health as to be able to take a pleasure trip to
the Western States. Since her return home,
and at the present time, she has the complete
and free use of her limbs, is entirely free from
pain, and able to do her housework, to attend
to her flower garden, and to discharge all her
domestic duties.

Thinking that such a remarkable cure should
be made known, in order that those similarly NEW HOLLAND, Lancaster county, F domestic duties.

Yours, Very Respectfully, apr 17 tfdaw!

M ishler's bitters in

n Philadelphia promises to grow to immense proportions. His agents there are kept busy by the incessant demands of those who are afflicted. There, as elsewhere, their great medical virtues are attesting themselves to the performance of multitudes of the most signal and remarkable cures. Every week Mr. Mish-ler hears the report of the good the Bitters are oing from his agents. Some of the cares efected are almost incredible. Numbers of these cases have already been alluded to. Only yesterday one of the Philadelphia agents of Dr. Mishler called on him to arrange for receiving much larger future supply. He reports the most rapid and wide-spread circulation of this extraordinary medicine, and attests to their wonderful curative powers:

REMARKABLE CURE OF CHRONIC RHEUMATISM.

REMARKABLE CURE OF CHRONIC RHEU-MATISM.

Not long since a colored man, afficted, with Caronic Rheumatism in its worst form, having heard that Mishler's Herb Bitters would cure that disease, called at our store. He came hobbling in on a pair of crutches, and was evidently suffering from intense pain at the time. His limbs were aimost powerless, and the Joints were stiffened and greatly swollen. He stated that he was poor, out of money, and unable to work in his present condition. Taking pity on him we gave him a bottle. In the course of a week he called again, evidently much better. We gave him auchter bottle. After using some three or four bottles he was able to throw aside his cratches and go to work. He is now a hale, hearty man, able to labor at digging cellars, at which occupation he is employed. He has paid us for all the medicine he got, and is the most grateful man alive. CURE OF DISEASE OF THE HEART.

CURE OF DISEASE OF THE HEART.

Some five weeks ago a solder called in at our store to get a bottle of Mishler's Bitters. He was a most pitable looking object, being so emaclated and debilitated as to be scarcely able to move about. He had been with Sherman ou lis grand marches, but since his discharge from the army had become entirely broken down in health. The physycians to whom he had applied in vain for relief, had pronounced im to be afflicted with the disease of the heart. Immediately after commencing the use of the Sitters he began to improve rapidly, and he is now sound and well as ever he was in his life. The above are only two of very many remarkable cures which have come under our knowledge.

Gentlemen:—I have recently been labornig nder the distressing effects of indigestion, accompanied by a prostruction of the nervous system. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphis.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restor-ation to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend directing me to the use of them.
