Mishler's bitters will CURE ALL DISEASES OF THE SKIN!

CURE ALL DISEASES OF THE SKIN!

Diseases of the skin are numerous and, with but one or two exceptions, may sall be traced to impurity of the blood. In many persons this impurity is born in the system; while others acquire it through improper treatment of scores of diseases. Under this head may be classed—

1st, Scrofula,—This disease is hereditary and is transmitted from generation to generation. It is caused by a transgression of the laws of nature, both moral and physical; in other words, it is caused by vice. Acting as a latent poison, it reduces the vitality of the blood, and weakens the depurating organs, so that hey fail to discharge or cast out the impurities that are continually generating in the system. A person physically pure acquires gonorhous, or some other secret disease; he undergoes a course of mercury, the disease is dried up, and the patient pronounced well. Valin delusion. The complaint is not cured, its channel is only diverted. Instead of making its appearance outwardly, it acts on the sing the appearance outwardly, it acts on the sing of manuel is only diverted. Instead of making its appearance outwardly, it acts on the sing of which is bequeathed from father to son, is the result. Many persons who are perfectly free from all immorality and vice are arificted with scrofula. They are suffering for the sins of their fathers and inboring under the curse inscribed in the Bo. k of Books. "I will visit the inquities of the fathers upon their children."

To cure this dreadful complaint it is necessary that the blood should be thoroughly purified, all the organs of the body brought into a healthy state of action, and the system braced up and strengthened by invigorating tonics.—Look at the articles used in compounding Mishler's Bitters; see the array of purifying and invigorating mendicaments, and say whether there is an article in the whole list of medicines that equals it. We here emphalically assert, without fear of contradiction, that MISHLER'S BITTERS WILL CURE ALL KINDS OF SCROFULOUS DISEASE

inside is Bitters, is continued and persevering nee of which will most certainly effect a permanent cure.

3d, Sait Rheum.—Salt Rheum is a vague, indefinite, though, popular term given to almost all the non-febrile eruptions of the skin which afflict adults. It is generally an eruption of vestcles in small, distinct ulcers, accompanied with a smarting, tingling sensation, with a tendency to creep or spread over the adioining surface. Mishler's Bitters are a sure cure for this disease.

4th. P'imples and Blotches.—P'imples and Blotches on the skin are always a sure sign of impure blood. Although never dangerous, except in cases of carbuncies, they are very disagreeole. Often we will see the most handsome features rendered hideous by great blotches and pimples, and instead of the pieasing look which should irradiate the human face we see nothing but disgusting corruption; for pimples and blotches are nothing but the corrupt accumulations of the system expelled through the medium of the skin. The use of rupt accumulations of the system expelled through the medium of the system expelled through the medium of the skin. The use of Mishier's Bitters, will force these corruptions to be discharged through the natural channels, and thus cures all kinds of pimples and blotches. Ladies who desire a fair completion, free from pimples should bear this fact in mind.

Gentlemen:—I have recently been labornig

by friends, and some of them tested, but without relief. Your Hoofland's German Bitters
were recommended by nervous who had tried

Upon learning that yours was really a medicinal preparation I took it with happy effect. Its action, not only upon the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles.

Very respectfully yours,

From the Rev. E. D. Fendall, Assistant Editor Christian Chronicle, Philadelphia. I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valueof Hoofland's German Bitters, and 100. The privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver.

From Rev. D. Merrige, Pastor of the Passyunk Baptist Church, Philadelphia. From the many respectable recommenda-tions given to Dr. Hoofland's German Bitters, I was induced to give them a trial. After using several bottles I found them to be a good remedy for debility, and a most excellent tonic for the stomach. D. MERRIGE.

Having used in my family a number of bottles of your Hoofland's German Bitters, I have to say that I regard them as an excellent medicine, specially adapted to remove the diseases they are recommended for. They strengthen and livigorate the system when debilitated, and are useful in disorders of the liver, loss of appetite, &c. I have also recommended them to several of my friends, who have tried them, and found them greatly beneficial in the restoration of health.

Yours truly

I have known Hoofland's German Bitters favorably for a number of years' I have used them in my own family, and have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bittors, knowing from experience that my recommendation will be sustained. I do this more cheerfull as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Although not disposed to favor or recommend Patent Medicines in general, through district of their ingredients and effect, 12th know on o sufficient reasons why a man may not testify to the briefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoof Land's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoomaker, Eq., for the removal of this prejudice by proper tests and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and montal vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend directing me to the use of them.

Dear Sir: I feel it due to your excellent proparation, Hoofland's Gorman Bittors, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confiden by recommend the article where I meet with cases similar to my dwn, and have been assured by many of their good effects. Respectfully yours.
