Ladies who desire a fair completion, free from pimples should bear this fact in mind. apr 23 tid&w A RBIVAL OF TWO OF THE LATE PASSENGERS OF THE SHIP VIRGINIA Two of the passengers of the Steamship Vir-ginia, which has been detained at Quarantine, in New York Harbor, for some time past, on account, it the Cholera being on board, arrived in this city a day or two since. The pictures they draw of the distress on board is heart-rending in the extreme, As for themselves, through the kind thoughtuiness of their ritends, they were supplied with a quantify of the Bitters manufactured by our fellow-towns-man, Mr. B. Mishler, and were happily freed from the attacks o: the dread destroyer, while their fellow-passengers were suffering, and many dying around them. They, thhemselves, lost one child before the Bitter's reached them, but they express the belief that if they had it, the child would have been saved. The efficacy of Mishler's Bitters in the cure and prevention of Cholers has thus been tested, and the ex-pectations formed fully realized. George Reed, Esq., of West Earl twp., Lan-caster county, is one of the most respectable and intelligent gentleman in our community He is a man of the greatest integrity, strictest honor and the most unimpenchable truthfulness. He is now 5 years of age, and has been a Justice of the Peace in this county for more than 30 years past. His name appears on the records of our courts more frequently than hat of any other Justice of the Peace in the county. He is almost universally known as a man of the strictest integrity. He is us remark-able for his charitable nature as for any other man of the strictest integrity. He is as remark-able for his charitable nature as for any other characteristic. Such a man is Justice Reed, who has voluntarily sent to Dr. Benjamin Mishier the following certificate in regard to the effleacy of that great remedial agent. Mishier's Herb Bitters: WEST EAKL TWP, Lancaster co., July 25th, 1888. *Mr. B. Mishier*: I am pleased to be able to bear testimony in regard to the wonderfail effects of your Herb Bitters in the the case of a poor widow woman, named Nancy Sharp, residing in my neighborhood. He is about 40 years old, and has been a great sufferer from Rheumalism for herself and children. She was almost entirely dependent on the charity of the neighbors. She heard of your Bitters and told me she thought if she could get some of it it would help her. On m. next visit to Lancaster I mentioned her case to you and through your kindness you such her some of the Herb Bitters, and I must say that though I had heard a great deal of the curse performed by it, I was not prepared for the wonderfu and speedy change which took place in her case; she is now able to work and can get along pretty well. Since f saw what it did for her to have recommended several other persons to use it and have never known it to hall of giv-ing satisaction in any case.
