To cure this dreadful complaint it is necessary that the blood should be theroughly purified, all the organs of the body brought into a healthy state of action, and the system braced up and strengthened by invigorating tonics.—Look at the articles used in compounding Mishler's Bitters; see the array of purifying and invigorating mendicaments, and say whether there is an article in the whole list of medicines that equals it. We here emphatically assert, without lear of contradiction, that MISHLER'S BITTERS WILL CURE ALL KINDS OF SCROFULOUS DISEASES.

It purifies the blood, it strengthens the internal organs and aids them to perform their natural functions, it is a stimulant and a tonic and it will cure Scrodule.

24. Running Sores and Ulcers.—Running sores and ulcers invariably indicate a scrotter of the strengthens of the blood. Many persons adhicted with running sores and ulcers succeeded in drying them up and thick they are cured when the skin grows over the sore. They are, however, "but making bad worse," for the impurities that were discharged from the system through the mediann of the sore now act internally and cause innumerable diseases and often death. The only true and sure cure for all running sores and ulcers is Mishler's Bitters, a continued and persevering use of which will most certainly effect a permanent cure.
