words, it is caused by vice. Acting as a latent poison, it reduces the vitality of the blood, and weakens the depurating organs, so that hoy fail to discharge or cast out the impurities that are continually generatine in the system. A person physically pure acquires gonorhea, or some other secret disease; he undergoes a course of mercury, the disease is dried up, and the patient pronounced well. Vain delusion. The complaint is not cured, its channel is only diverted. Instead of making its appearance outwardly, it acts on the internal organs, and seroulas, which is bequeathed from father to son, is the result. Many persons who are perfectly free from all immorality and vice are afficied with scrofula. They are suffering for the sins of their fathers and laboring under the curse inscribed in the 80 k of Books. "I will visit the injutties of the fathers upon their children." curse inscribed in the box of Books. Their children."

To cure this dreadful complaint it is necessary that the blood should be thoroughly purified, all the organs of the body brought into a healthy state of action, and the system braced up and strengthened by invigorating tonics.—Look at the articles used in compounding Mishler's Bitters; see the array of purifying and, invigorating mendicaments, and say whether there is an article in the whole list of medicines that equals it. We here emphatically assert, without lear of contradiction, that MISHLER'S BITTERS WILL CURE ALL KINDS OF SCROFULOUS DISEASES. It purifies the blood, it strengthens the internal organs and aids them to perform their natural functions, it is a stimulant and a tonic and it will cure Scrofula.

2d. Running Sores and Ulcers.—Running sores and ulcers invariably indicate a scrofulous taint. They are caused by the efforts of nature to discharge the impurities of the blood. Many persons afflicted with running sores and ulcers succeeded in drying them up and think they are cured when the skin grows over the sore. They are, however, "but making bad worse," for the impurities that were discharged from the system through the medium of the sore now act internally and cause innumerable diseases and otten death. The only true and sure cure for all running sores and ulcers is mishler's Bitches, a continued and persevering manent cure.

3d, Sail I the mishler that the rease a vegue, to all.

use of which will most certainly effect a permanent cure.

3d, Salt Rhemm.—Salt Rhemm is a vague, indefinite, though, popular term given to almost all the non-febrile eruptions of the skin which afflict adults. It is generally an eruption of vesteles in small, distinct ulcers, accompanied with asmarting, tingling sensation, with a lendency to creep or spread over the adioining surface. Mishier's litters are a sure cure for this cases.

4th. Fimples and Blotches.—Pimples and Blotches on the skin are always a sure sign of impure blood. Athough never dangrous, except in circles are carbuncles, they are very disagrees and of the skin are always a sure sign of impure blood. Athough never dangrous, except in circles are rendered hideous by greating look which should irradiate the luman face we see nothing but disgusting corruption; for pimples and blotches are nothing but the corrupt accumulations of the system expelled through the medium of the skin. The use of Mishier's Bitters, will force these corruptions to be discharged through the natural channels, and thus cures all kinds of pimplesand blotches. pimples should bear this fact in mind. apr 23

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterward willingly dispense with their nue. For children, misses and young ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice, or double covered preventing them from wearing out when dragging down stoops, sairs &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazinet as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in Crinoline, viz: Superior Quality, Perfect Manutacture, Stylish Shape and Finish, Flexibility, Durability, Comfort and Economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.
