She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent fitends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. TEN YEARS experience in selling Reaping and Mowing Machines enables me to offer you for the harvest of 1867, the only two-wheeled Self-Rake Reaping Machine that has proved successful in doing the work better in down tangled grain than can be done by hand.

With this Machine, one man or boy, with a good steady pair of horses, can do as much work in a day, and do it better, than two men can do with the best combined hand machine now in use. This has been our experience and that of many of our best Farmers who have used them the last three seasons. Take on your Rake and Platform and you have one of the very best Mowers in use; in outing down tangled grain or grass with this Machine, you can drop your cutter bar as low as you may desire without stopping your team; you can raise or lower it with all ease while it is in motion.

For restoring hair upon baid heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon baid heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Cappilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. FIRST MORTGAGE BONDS

OF THE

CENTRAL PACIFIC R. R. CO.

This Company is constructing under the patronage of the

UNITED STATES GOVERNMENT,

the Western end of the

FREAT NATIONAL RAILWAY ACROSS THE CONTINENT,

Their line will extend from Sacramento, California, across the Slerra Nevadas to the California State line, traversing the richest and most populous section of California, and thence through the great mining regions of the Territories, to the vicinity of Satt Lake

It forms the sole Western link of the only route to the Pacific which is adopted by Congress and aided by the issue of the United States Bonds.

Their road is already completed, equipped and running for 94 miles from Bacramento to within 12 miles of the summit of the Sierras, and a large amount of the work of Grading, Tunneling, &c., beyond that point has been accomplished.

The First Mortgage Bonds of this Company afford unusual inducements of Bafety and Profils to Investors, for the following among

The United States Government pro-vides nearly half the amount necessary to build the entire road, and looks main-iy to a small per centage on the future traffic for re-payment. Fifth. Owing to this liberal provision, accompanied with Extensive Grants of Public Lands, by which the Government fosters this great national enterprise, its success is rendered cortain, and its financial stability is altogether independent of the contingencies which attend ordinary Rullroad enterprises.

The Bonds are issued in denominations or \$1,000 with semi-annual Gold Coupons attached payable in New York, and are offered for the present at 85 per cent. and accrued interest (in currency) from January 1st. Orders may be forwarded to us direct, or through the principal Banks and Bankers in all parts of the country. Remittances may be made in drafts on New York, or in Legal Tender Notes, National Bank Notes, or other funds current in this city, and the Bonds will be forwarded to any address by Express, free of charge.
