THE POTATO ROT .- A correspondent of THE POTATO ROT.—A correspondent of the Oxford Press, writing from the lower end of the county says: Some weeks ago it was generally sup-posed that there would be few, if any potatoes in this section of the county. Those who planted Mercers, excluding other varieties will have none; while others who have different varieties will have a good yield. This is true, in a great measure, of those who have planted Cusces, Buckeyes. The Radicals held a mass meeting at the inited States Hotel on West Penn Square. n Saturday, which was addressed by Gen. os. W. Fisher, of Columbia, and others. Jos. W. Fisher, of Columbia, and öthers, There was a croad present, as might be ex-preted, but it was not largo, and the en-thusiasm and spirit was less, for we saw more manifested at all. The majority of those in attendance, we presume, were at-tracted there rather by the delightful music of the Ringgold Brass Band than any love for the cause or the party. We also visited Sherry's Theatre, which has been doing a very fine business there during the past week. Mr. J. F. Sherry is an enterprising manager, bound to go abend and succeed, and is a great favorite in Reading as well as in every other city he has visited. He has now an excollent company, having secured Miss Nellie Ger-mon, of Philadelphin, a very pretty, spright bar strettery has purchased copyrights of a number of entirely new and popular plays, which he latends to produce on his next visit to Lanenster. We met with a farmer residing near the river, who states he planted eight bushels of Cuscoes and his yield is one hundred and twenty bushels o fine large potatoes. OUTTE & SURPRISE .- On Saturday eve QUITE A SUBPRISE.—On Saturday eve-ning last, as the Rev. Dr. Greenwald, pastor of Trinity Lutheran Church, was sitting in his parlor conversing with a few friends they were suddenly interrupted by a vocal seremade going on outside. The seremaders having finished their singing, without going through the formality of a knock at the door, presented themselves before tha door, presented themselves before the Doctor, when lo! who were they? Im-agine the surprise and delight of the Doctor when he recognized them as the choir of the Lutheran Church at Easton, of which he was formerly pastor. They also sang in the choir of Trinity Lutheran Church on Sun-day, and some of the voices were very much admired.
