A CURIOSITY.—At the drug store of Dr. B. F. Herman may be seen one of the greatest curiosities in the shape of an aqua tic animal ever brought to Columbia. It is pronounced an eel by some, a monster water lizard by others, but the prevailing opinion is that is an infantice aligneter, and lits striking resemblance to that animal favors the latter supposition. It was cap-tured in the Susquehanna river near Wash-ington borough, wiere it was kept a few days and then brough there to ascertain what manner of beast it really is. It is about fifteen inches long and is a perfect familiar with the head waters of the Sus-quebanna, that alignators of small size ar-quice common there, and that they derived there origin from a large one of that species CARPETS!
