Union Pacific Railroad.

1000 MILES OF THE UNION PACIFIC RAILROAD ARE NOW COMPLETED.

500 MILES REMAIN TO BE FINISHED, TO OPEN THE GRAND THROUGH LINE TO THE PACIFIC. This opening will certainly take place early this season.

By its charter, the Company is permitted to issue its FIRST MORTGAGE BONDS to the amount of \$1,000,000.

These securities are generally valuable property to the length of time they have to run. The longest six percent gold interest bond of the U. S. is only due in eight years.

It needs no argument to show that a First Mortgage of \$500,000 per mile upon what is now the Union Pacific Railroad is a valuable security.
