sun does the rest. On every farm you see either the wind-mill or the artesian well, to carry to it the great necessity.

turists about the extent to which irri-gardening wants is water, and then the sun does the rest. On every farm you see either the wind-mill or the artesisty. There is arising, however, aconsiderable difference of opinion annong horiteit turists about the extent to which irri-gation is necessary. The best vineyards do not use it, and it is said shade-trees are made shallow-rooted by too much of it. The farm around the house is a sight to behold, and one which begins to im-plant in a stranger's mind some ale-quate iden of the inverses has been due, and into the valleys beyond, stretched the rich golden grain, acre after aner of such product as the world scarcely ever saw-long, full ears, with dry, gluthous grains and graceful bend-to disturb the view, except sometimes thig wild mustard (itself a profitable harves) scattered in portions of it. In parts the harvest has been cut, and this the harvest has been cut, and this the harvest has been cut, and this construction for the arrears the wild mustard (itself a profitable harvesi) scattered in portions of it. In parts the harvest has been cut, and this construction for the arrears and graceful bend-ther solves the construction for the arrears the construction for the arrears of points and sense the with mustard (itself a profitable harvest) scattered in portions of it. In parts the harvest has been cut, and this construction for the arrears and profitable the construction for the arrears and pr scarcely ever saw—long, full ears, with was about half an inch deep, with pull-dry, glutinous grants and graceful bend verized charcoal. Some days after he ing stalks; not a wedd or a tree appear to disturb the view, except somethnes thig with mustard (likelf a profitable harvest) scattered in portions of it. In parts the harvest has been cut, and thick, regular bundles of sheaves, like crowded encampments, dot the hills and values as far as the eve can reach, here the roots, and walted for the part about the roots, and walted for the reach and values as far as the eve can reach, here the reach and walted for the part she as far as the eve can reach. crowned cheampherits, dot the first about the roots and walked by the In some places the product will reach in some places the product will reach atxty bushels to the acre; in one field of two hundred acres, it will be fifty bushels. In one quarter, the gentleman has taken *ciphysecen bushels per acre* form *div orgent*. The gentleman has taken *ciphly-screp busices per acre* color. He then tried the powdered from 200 acres. The whole farm will charcoal in large quantities upon petu-average over thirty-three busikels, and plans, and found that both the white and naverage over thirty-three bushels, and this gentleman will reap 60,000 bushels, violet colored flowers were equally sen-this year. The wild maximum start of thresh-ing! He has sixty men at work, of whom forty are chinese, and he is har-vesting from about sixty acres a day. The machine used is the ordinary "header" of the country, which cuts the heads of the grain and throws them the heads of the grain and throws them thouse driven by the side of it. There does not seem as much saving of labor in it as might be expected.

Neavy Verdict Against the Pennsylvani Central Bailroad Company, In the Supreme Court of New York city, pefore Judge Sutherland, the case of Cyrus II. McCormick vs. The Panneylvania Cen-tral Railroad was concluded, by the jury giving a verdict for plaintiff for \$10,660.01. Mr. McCormick had sued to recover the value of five trunks which were put on bourd a train at Philadelphia, and taken to Chicago ragninst bis wishes. The plaintiff was going to Chicago with his family, and desired to have his trunks checked there, but was informed that the company would charge oxtra freight. He demanded their return, but wastold that it was too late, and that he trunks could not be taken out of the bagges cur before the starting of the train. The Judge charged that the crunks with-1, McCormick vs. The Pennsylvania Cer
