committee is termed, and told that a friend ommittee istermed, and told that a friend of his had broken a leg. He hurried out, when he was seized, shot and horribly mutiated with hatchets. Another man was forcibly taken from his bed and hung up outside his bouse. A great number whose some states of his principal taken from his bed and hung up outside his bouse. A great number whose soribe. The police of the bidding of Brigham, and obey all the mandates of the Bishop and Aposlies, be they over so hor rible. You ask, "If this is so why do not the people rise against him and his system?" I tell you that his power is sostrong and his influence so great that his dupes will believe the greatest crime justifiableso long as they observe the purposes of the church, and thus with an iron hand he wilds his sway. I find that things have been entirely too much smoothed over by sycophantic correspondents who have been playing at tickle me and I'll tickle you with this nutcerat of Sait Lake. They have praised him for making the "Desert blossom as the rose," &c., &c., and in fact have led the incluligant reader to believe that he has been a much misrepresented and much abused man. What else can we expect however when such men as government officials pay their homage to this definal imposter, and permit themselves to be blinded by the gaudy show of his principly surroundings. This is a fect, and as this continues, in the proportion will increase his arrogance and deflance.—This man Young, in this onlightened country, in this age of progress and divilization, flosters and saturations and content of the city of Philadelphia, and an entirely different parts of the legisles and subtise continues, in the proportion will increase his arrogance and deflance.—This man Young, in this onlightened country, in this age of progress and divilization, flosters and saturations and deflance.—This man Young, in this onlightened country, in this age of progress and divilization, flosters and saturations and divilegation and the provided for the State and the provided for the State and the of his had broken a leg. He hurried out, when he was seized, shot and horribly mu-

ming on coarse flunnel. After he was done a neighbor, also a farmer, came in and done a neighbor, also a farmer, came in and was requested to pick the best samples from the lot as they laid paired, from both machines, which he did; and the result was in favor of the Howe Machine in every point but one, and that was in the coarse flanuel hemming, which he decided in favor of the Singer. I at once made up my mind to have a Howe Machine, which Mr. B. insisted I must take from him; but knowley the howes not the results mean but knowing that he was not the regular agent for that machine, I refused taking one from him, but exchanged his Singer on a Howe Machine with Mr. Fate, which I can return again and have my money refunded if it does not give full satisfaction. Mr. B. stated through the press that he had no invitation to come to my place until he saw it in the Express, over the signature of Mr. Fate, at the time he publiely accepted. This is not the case, for I my-self invited aim to come in the presence of several of my neighbors, if he has not forgot-JOHN K. ROHRER.

REGISTER OF WILLS,-We are authorized to announce that Dr. WM. M. WHITESIDE, late Lieutenant of Company E, 10th Regt. first three months' service, and Captain of Company i following inscription which was written by Mr. Buchanan prior to his death with directions that it be inscribed on his tomb, the date of death, of course, being left 70th Regt. P. V., of Lancaster city, is a candidate for Register, subject to the decision of the Republican voters at the ensuing primary election.

the date of death, of course, being left blank by hin:

Hore rest the remains of
James Buchanan.

Fifteenth President of the United States.

Born in Franklin county, Pa, April 23, 1791.

Died at Wheatland, June 1, 1868.

The base of the tomb is already in position at Woodward Hill Cemetery. It is constructed of the finest New Hampshire granite, is seven feet one inch in length, and three feet seven inches wide. The whole height of the tomb and base, when placed in the Cemetery, will be five feet independent of the ground elevation. This unpretentious monument was framed in accordance with the explicit instructions contained in WONDERFUL.—Henry W. Burr, No. 19 West lith Street, while on a visit to the West, was attacked with severe illness from drinking impure water. Life was despuired of, and it was thought that he must die. If you was thought that he must die. If you was thought that he must die. If you was a land of the water was a land of the water was a land resulted from the use of PLA NTATION BITTERS, she insisted upon their being administered to him, which was done, in quantities prescribed by the attending physician. The MAGNOLIA WATER.—Superior to the best imported German Cologue, and sold at half the
