Acceleration of Sorie. WASHINOTON, June 25 — The event of the day has been the resignation of Secre-tary Borie, of the Navy Department, and the appointment and swearing in of his successor, Mr. George M. Robeson of Cam-ner, N.J. So such as wearing the application of the province of the system to us preference was expressed by the Con-vention in favor of the nonination of the den, N. J. So sudden was the whole perden, N. J. So sud.ien was the whole per-formance, that it is clear everything had been arranged for some time. Grant pre-fers to have his appointments criticised after they have been installed in office. Borie's health and private business ren-dered the dutics of the Navy Department onerous. Mr. Robes in heretotore, like most of Grant's appeintments, has lived in obscurity, so far as public life is con-gerned. He was born in 1829, in Belvidere, New Jersey. His father is a nitive of Pailadelphia, and was an A'sociate Judge The they have have here instand in onlee. by the new route. A sensation was created in this city this forenoon by the appearance of the Cin-cinnatic commercial in Main street. From New York. NFW YORK, June 29.—The steamship Hammonia reports, June 25th latitude 41.30; Longitude 69.50 in a dense fog collided with the barque Harriet of Picton bound from New York to Montreal. The Barque is a total loss. The crew wore rescued with the exception of one man, and the steamship was not damaged. Bisastrous Hain Storms. Was some one who knew her, and that jaclousy was the cause of lis murderous as-sault and cowardly action. SKULL FRACTURED.—On Monday even-ing some boys, who were engaged in fight-ing near Leannan Place, were interfered with by a mar hamed Steffee for the pur-pose of making peace among them, when one of the combatants seized a stone, throw-ing it at him and striking him on the head, above the eyo, fracturing the skull slightly. The wound, though severe, is not consider-ted dangerous and the patient is doing weil.
