

Letter from the Hon. R. J. Haldeman, Secretary of the U. S. Department of Agriculture, dated November 24, 1898.

Dear Sir:—While examining the Industrial and Agricultural Statistics of the different States in connection with the labor of the Census Commission, I was very much impressed by the great...

Horace Capron, Commissioner of Agriculture, estimated last year, through the whole United States, and taking into account the fact that the yield of the 12th year was...

By the extension of the Dairy and Poultry systems of the country which has been so successfully introduced into New York...

The New York Census Report of 1895, taken under the superintendence of Dr. D. H. D. D., shows that the number of dairy cows in the State in the year 1894...

But in these localities where the manufacture of cheese is the principal industry, we can see how profitable it must be from the rapidly with which it has developed...

It is now reached the point that I desire to especially call the attention of your readers to—On page 21 of the report...

I have no doubt that the report will be found a summary of the reports of the various States, and that it will be found a summary of the reports of the various States...

It is now reached the point that I desire to especially call the attention of your readers to—On page 21 of the report...
