Nor PASSED.—A statement has been go-ing the rounds of the pupers to the effect that a law has been passed by the late Log-islature providing that at the next election for school directors, and annually heresfter, throughout the State, the qualified electors shall elect two persons to serve as school directors for three years; that each elector shall vote for one person only, and, the two having the highest number of votes shall be declared elected for three years I tis a mistake. No such bill has been passed. It was presented by a member, but failed to go through. School directors will be elected as usual. FATAL RAILROAD ACCIDENT.-Peter Sheid, of this city, fell on Thursday last, from the platform of a car attached to the Lancaster train east, on which he was a passenger, and was instantly killed. The accident occurred a mile and a half east of Mountville. The cars were running very fast at the time, and it is supposed that his hat was blown off, and in attempting to save it he lost his balance and fell. The foreman of the track was dispatched to the scene and found him lying dead, with his skull fractured. He leaves a wife and family.
