Yarious reports represent positively that
he Spanish troops had been defeated in
everal engagements recently with the inurgent leadors, Duz and Gomez.

The situation of the Spaniards in the
fastern department is unfavorable. The Eastern department is unfavorable. The planters are holding meetings, and nearly all of them refuse to obey the emancipation laws, and will resist freeing their slaves. Large amounts of money lave been raised to send to Spain in order to avoid the excention of the law, and to secure its repeat.

Then in the House there was a waste of time over two of the numerous contested election cases, with their inevitable accompaniments in the shape of resolutions to pay both parties. Of course the money was voted, as many thousands more had been previously squandered, although these gentlemen cannot make up their minds to take off the heemo tax. They have also, it seems, been laboriously engaged in making a compromise on the urgent question of sending an expedition to the North Pole, and heye, in a severe fit of economy, concluded to waste only \$50,000 on this instead of \$100,000. On the same day, the House devoted a portion of its invaluable time to the discreditable squabble as to whether Mr. Patrick Woods, of Richmond, shall be made a political martyr, by being impris-
