Early hat evoluting a reporter of the Tri-bune visited Kipling in his cell. When questioned relative to the charge against him he langhed heartily, and declared that he knew notking whatever about it. The assertions of the persons at Schuylkill Haven that he had erriminated himself in bis conversations about the Nathan nur-der he declared to be sheer fabrications, made by them with the hope of ultimately shuring in the reveal offered for the nur-der he declared to be sheer fabrications, made by them with the hope of ultimately shuring in the reveal offered for the nur-derer. He says that his father and brother compose the firm of Kipling & Son, in-parters of preducts bound at the report, parts of which were to be re-geaded; but the parts were not indicated, in the report, parts of which were to be re-peaded; but the parts were not indicated, in the report, parts of which were to be re-peaded; but the parts were not indicated, in the report, parts of which were to be re-peaded; but the parts were not indicated, in the report, parts of which were to be re-peaded; but the parts were not indicated, in the report, parts of which were to be re-peaded; but the parts were in the state the state of the list of acts cited to the last section of the bill, preceding them on of the state book. It now appears that one of the state book it now appears that one of the state book it is erason for heaving home was that he had quarrelied with his wife. They and hive rapart, the had no informed his wife of his retatives of his it was approved, the Interior Department, and the transfer of the fact. On the following evening there on the 15k it was approved, the Interior Department having that be forced arrest. He declares was wided out, and a whole batch of oll-trar, when the offer adarcest. The declares in the most position more that he never and induced him to remain. Naturally of a conflexion of his guilt. The letters is the had quarrelied with his weat in reason for saving that be feared arrest. He declares in the mo ous blunder committed before.

runna parhary more up nis minu to fe-turn, when the offer of employment ou the eanal induced him to remain. Naturally of a roving restless disposition, he would rath-er labor at the nomial employment of a canal bactman than resume his po-sition in the store of his father, when the store of his father, A Professor in Pennsylvania College. Mr. Sammel P. Sadtler, a son of Rev. Dr. Sadtler, of Lutherville, Md., has been unanimously elected Professor of Physical Science in Pennsylvania College at Getsys-burg. Ho is ropresented to be a young man of nuch promise in the department of Physical Science. The Latheron Obser-per suys: necept a similar position elsewhere He says that he left his father's store ear It is any time ne left his latter schole carbon by in July before the date of the nurler of Mr. Nathan, which took place on Friday, July 29. He was not in this city from the time of leaving liss father's store until the afternoon of August 16. During that time he was at home, or, if away for a brief inter-val, was accompanied by a relative or

mpanied by a relative or ells a very straightforward d should have no difficulty, if it is story, and should have no dimensive in a s-trathful, in accounting for his action and whereabouts on the night on which the

wherearonics on the high on where the marder was committed. One statement of his is untrue, however, Ho says that when he came to this city on Ang. B ho signed the register at the Nation-al Hotel. No such name appears on the register of the hotel on that or the succeedregister ing day. Lial oxa He will probaby undergo an offi-imation to-day, when the truth or alsity of many of his statements will I made manifest. N. Y. Tribune.

-----A Visit to Putnam's Wolf Den.

A correspondent of the Providence Jar

A correspondent of the Provincine sour-and has been paying a visit to the famou enver from which the youthful Israel Pur nam pulled the ferocions wolf of history It is situated in the town of Poinfret, C Constraints assess the correspondent, w Eventually, says the correspondent, we reached the spot where we were to leave the carriage and approach the den on foot. This was determined by a gap in the fence, while the trees opposite hore marks of having been gnawed by imminerable im-patient horses hitched here from time to they wintows. A tolerable wall, worn patient horses hitched here from time to time by visitors. A tolerably well-worn path through the wood, for half a mile, led us to the rocky hill in whose rugged brow the famous den, agesgone by, was fashioned by the hand of nature. At is guarded by a giant oak, which may have stood there for centuries. In fact, the entire hillside is overgrown with scattering trees, hearing indications of great age, for the woodman's ave hes not awatened the solitade of the ixe has not awakened the solitude of th

pot within the memory of the oldest i abitant, The entrance to the cave p. csonts a huge The efficiency of the early possible winds, mass of rock surrounding two smaller rocks which form the sides. A slab some four inches in thickness has broken away from the roof and dropped down, but does not in the least obstruct the month of the cave, which is somewhat funnel-shaped.not in the rest construct us insert of the construction of the rest of the res more fact that Putnum visited the spectral der the peculiar circumstances that he did is the only source from which it could have dorived more than a local colebrity. The euriosity of the public contres in the name and not the character of the cave.

-----North Carolina.

A former United States official, who has been in North Carolina since the com-mencement of the political campaign thore, reports that affairs have satuled down to a very quiet and peaceful State. But two companies of Kirk's troops are in commis sion, and consequently nothing has been heard of recent outrages. Soon after the ulociton there was a very general disposicompanies of NUK 211 sion, and consequently nothing hit heard of recent outrages. Soon a alection there was a very general beforted party to mak peal to Congress to upset the election and reconstruct the State, and a self-constituted committee was sent to Washington committee was sent to Washington and furtherNorth to confer with leading Repuborth to confer with leadin that purpose. Time and have so far mollified however, have so far mollified them that the project has been very generally aban-doned, and it is doubtful now if even a sin-gle conservative Congressman elect will have his seat contested.
