Lancaster Intelligencer. WEDNESDAY, NOVEMBER 9, 1870.

With the retirement of Secretary Cox than in their conduct during their from the Cabinet the administration of present troubles. The rest of the President Grant is severed from the world looks on in amazement at their have previously been elected in ten slightest suspicion of being conducted capers, and asks itself, what kind of a with that economy, reform and inde- people is this? They seem to have no self pendence of politicians which, at its control whatever, but are as impulsive outstarting, it was loudly proclaimed and variable in their moods as though would be its marked features. The extraordinary manner in which the Cabi-net was made up, of people who had ver been before known in the politics the hour induces the Parislans to do. of the country, and who had no record seems to be acquiesced in by the rest of of any kind as statesmen, gave color to the idea that, whatever else might be the done. The mob governs Paris, except faults of his administration, the President was determined it should not be kept in check by the National Guards; would be wholly without influence .the hand that smote them and patiently | endured the rebuffs that they received, favor which would give them control of the government patronage. They have been wonderfully successful; and these same men, whom in the beginning he spurned, seem now to be regarded by Grant as the mainstays of his Administration. The Cabinet which he originally selected with so much independence has fallen to pieces, only one of the original members remaining in it; while third-rate men like Delano, well adapt-

Secretary was proffered simply because few as not willing to obey the desire of certain influential radical politicians, that he should cease to prosecute the scrimmage, they soon ran away, wish-stat he should cease to prosecute the scrimmage, they soon ran away, wish-stat he should cease to prosecute the scrimmage, they soon ran away, wish-stat he should cease to prosecute the scrimmage, they soon ran away, wish-stat he should cease to prosecute the scrimmage, they soon ran away, wish-stat he should cease to prosecute the scrimmage, they soon ran away, wish-stat he should cease to prosecute the scrimmage. diminishing, and his action in reference to Secretary Cox has probably extinguished entirely his availability as a Could folly further go? strength among the people, and for this the favor of a few politicians is no compensation. He will never again be President: he attained the position once because accidents, had thrown around bim a lion's skin, and as he ctime to tell his measure and de termine his value. They are, however, perfectly satisfied now, and if he was viser, he would know the opinion they ly cease to yex himself with thoughts of the possibility of his re-election.

The Thieves' Accomplice. Columbus Delano takes the place of having been translated by the President clared that to carry out the devices of the President's political friends in his Department, was totally inconsistent with by Delano in accepting the office, subject readiness to dishowstly administer it: desire that the Department shoth be dis-homestly administered. Is not that clear? And it so, is it not equally clear that Delano is dishonest, and that Grant is dishonest? Will any one refuse to believe now that Grant speculated in gold in New York and in land in the speculation of the Cry. The Continuous R army, in all the splendor of its strength, passed through Paris, amid shouts of "M Berlin!" I was far from shar-ing their confidence, and alone, perhaps, among all the general officers, I ventured to tell the Marshal Minister of War that I San Jumingo? Noseine a swiis; perceived in this noisy manner of enterm and the President charged with intimate companionship with speculators great disaster.
