Later.—The Coroner has returned to this city, having held an inquest on the body of the deceased. It was quite unrecognizable, having been burned to a crisp and the head and legs separated from the body. It is thought the fire was the work of an incendiary, as the deceased was a harmless man, and had received permission from the owner to sleep in the barn, and had done so frequently on former occasions. The verdict of the coroner's jury was "accidental death." There was an insurance of \$200 on the property.

HOW TO CURB IT.

At the commencement of the Diarrhon, which always precedes an attack of the Cholers, take a tosapoonful of the Pain Killer in sugar and water, thot, if convenient, and then bathe freely the stomach and bowds with the Pain Killer clear. Should the diarrho a or cramps continue, repent the dose every ten or fitteen minutes until the patient is refleved. In extreme cases, two or more teappoundus may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Compinints, Dyspepsia, Dysentery, Asthma, it cures in one night, by taking it internally and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds and Sprains. For Bick Hoodsche and Poothache, don't fall to try it. In short it is a Pleice 25 cents, 30 cents and 51 per bottle.
