are the r a cross are the r a cross of va-for this State alone. We have a billion pounds wasted, actually refused, when brough to our very doors. This is not some some ignorance. Our farmers suffer by paying some to other states their hard-earned dollars of sweets that we might have—not for the asking, for it is already bestowed— but for the taking. Our agricultural so-cieties have failed in their duties, in not attending to this immense waste. In-stead of educating farmers to perceive and save it, they have made to "best beet" to "best beet" to "best beet" to minent ext. The state they have made to but for "best beet" the asking for it is already bestowed— but for the taking. Our agricultural so-teet of educating farmers to perceive and save it, they have made to minent ext. to "best beet" to minent ext. the state they have made to minent ext. the state they have made to best beet to the state they have made to the states they have they h the pure Asiatres. They are not as elumsy as the pure Asiatres, but cannot ity over a fence four feet high. For the trade, they are equal to pure Games.— They have all the points without the objectionable ones, of both parent treads. No lowls or types for side.
