 "A chiel's smang ye takin' notes, and faith he'll prentem."
 Instide.

"A chiel's smang ye takin' notes, and tath he'll prent'em." The composition of the Republican Party in this county presents a strange amalgam of easy virtue, miscellaneous morality and slight tincture of stupid honesty. A glance into the pandemoniam of sly knavery and the babel of confusion which lately assem blod in our Corrt House, pretending to be a convention of the Republican County Committee, strikingly revealed the compo-site character of the party, and the prospect for the campaign opened by the candidates for nomination at its hands. There sat in the presiding chair—King John, of Penn—the "oily gammon " who he didate for Senatorial honors. His double-team race with the siniling Rudy, having been unsuccessful, we suppose he with

been unsuccessful, we suppose he will been unsuccessful, we suppose he will In the mean time runners had been in from drop his running mate in the next campaign, and go it on his individual muscle. privileges, and giving the same rea made the same reply to all, and by about he 5th of March 1 had over 300 here. Bland and courteous in his manuer to each one, hotel to the other, Broadway, between the two hotels is a scene of life, animation and beauty which cannot be excelled by any similar scene the wide world over, not even on the gay boulevards of Paris herself. Each hotel has an immense and elegant parlor, a large ball-room, and a luxurious elevator. The table fare at each is excellent and the attendance to your wants upon the part of servants is all that the most exacting could courses. and all, he presented a contrast to the confidence in the traditional honor which tixeupposed to exist among the ves. Scatter ed o'er the room, were politicians of various grades of respectability, and candidate of doubtful reputations. There was the hawk-mosed pugilist of the Second Ward and here sat the cadaverous candidate for Dis-trict-Attorney. Here sat the genial Andy tor of the Prison, and galla it ex Sherift holmobed with a candidate for Assembly. Here was heard the clamor of the budconfidence in the traditional honor which and counted them, and issued them ratio Kauffman, supported by the elegant Solic-itor of the Prison, and gallast ex Sheriff Here was heard the clamor of the louda system of tickets with which to pay then and to encourage them, and to be surmouthed member from Columbia, and the j mouthed member from Columbia, and the honest oracle from Adamstown shook his bead in grave displeasure. Ranged round the room were the old stagers and the younger members of the party, the more respectable of both classes having either been left out, or too week to make any considerable impression. The proceedings, of which full details have appeared, were of a description of days to born mescal. number of days to burn mescal These parties were always mostly women, and I made myself sure by noting the size of the party, and from the amount of mes-cal brought in, that no treachery was in

> From the first I was determined to know not only all they did, but their hopes and intentions. For this purpose 1 spent hours each day with them in explaining to them each day with them in explaining to them the relations they should sustain to the Government, and their prospects for the fu-ture in case of either obedience or disobe-dience. I got from them, in return, much-of their habits of thought and rules of ne-tion. I made it a point to tell them all they wished to know, and in the plannest and most positive manner. They were readily nost positive manner. They were readil bedient and remarkably quick of con-rehension. They were happy and cor-iented, and took every opportunity to sho it. They had sent out runners to two oth the course without much trouble, though ity to show . They had sentout runners to two other ands which were connected with them by ntermarriages, and had received promrom them that they would come in and join

f a character in accordance with that of the campaign now opened, and whose spirit we would attempt to delineate. Around the candidates for Judge cluster, perhaps, the most substantial interests. though by no means the most exciting. Although the slates have not as yet been exactly set up, it is fair to suppose, that the only prominent candidates will be Col-Patterson and John B. Livingston; and though the former has strong hopes contered in the Examiner ring, it is said he depends mainly on his military record, as leader of the White Horse Cavalry; the latter, having considerable personal popularity, expects, doubtless, to walk over

the proceedings of the 9th of Augu Convention with no little interest. If the leaders allow themselves to be frightened from their declared purpos by the comments of the Radical pres they will sink into deserved contempt They can not abandon the programm they have laid down for themselves without being driven from the field of political action forever. They have crossed the Rubicon, and they must advance or perish miserably. A failure to push forward will be as fatal to them as retreat would have been to Casar Having landed upon the shore of the enemy they must burn their ships behind them and give the courage of des peration to their followers.

Suppression of Testimony by the Ku Klux Committee. The Radicals expected great things from the Ku-Klux Committee. They calculated that it would be able to accu mulate a mass of testimony which would justify the enactment of the law which gives despotic power to the President. The efforts of the committe land. The St. Louis Republican predicts that have resulted in a complete failure.
