Lancaster Intelligencer. WEDNESDAY, AUGUST 28, 1871.

DEMOGRATIC STATE TICKET.

FOR AUDITOR GENERAL, WILLIAM McCANDLESS. GEN. OF PHILADELPHIA.

FOR SURVEYOR GENERAL

CAPTAIN JAMES H. COOPER, OF LAWRENCE COUNTY.

## FULL POLL OF THE DEMOCRATIC VOTE ERY DEMOCRAT REMEMBER THAT, RESS TA TRANSIT A TRANSIT A TRANSIT Y HIS NEIGHBORS.

Circulate The Intelligencer.

The WEEKLY INTELLIGENCER will be mailed to subscribers until after the October election for FORTY CENTS. Let it be put into the hands of every man who will read it. Every dollar thus spent will be worth five times that | is a despotism, as a matter of course, amount paid for brass bands and for get ting up big meetings.

### Bills Rendered.

We have sent out bills to all subscribers to the WEEKLY INTELLICENCER, whose subscriptions are more than one year in arrears. The price of the paper is \$2 per annum, if paid within the year, and \$2.50 if not paid until the year has expired. We hope our sub- on the grand highway from China and scribers will bear that in mind, and always pay in advance, or within the year. They can all see how their accounts stand by looking at the figures opposite to their names, which show the date to which subscription has but Commodore Rodgers was all right in been paid. We shall be pleased to giving the rascals a touch of his quality; hear promptly from all to whom bills but it turns out to be a great mistake to have been sent, and from all who have not paid in advance. Money can be safely sent through the mails.

#### The War Claims of Pennsylvania.

will occupy again as soon as our forces Revelations, very damaging to the adare withdrawn. Corea, like China, has ministration of Governor Geary, are now a greater population than she knows nal: being made in reference to the collection what to do with, and life is held very of certain claims of Pennsylvania cheap. We dare say we could buy a regiagainst the Government of the United ment for a case of opium. Commodore States for expenses incurred during the Rodgers found this out when he sent to rebellion. The Philadelphia Evening inquire what he should do with his Bulletin, a staunch Republican newspa prisoners, the answer being-"Do what per, has been engaged for some days in you please with them!" oublishing a series of documents show-Rodgers might have cooked and eaten ing up the fraudulent transactions of his prisoners for all that the King of Co-George O. Evans, of Philadelphia, who rea cared. It would be rather a relief to was appointed a special agent for the get rid of a million of men than othercollection of these claims. wise, as there would be a little more

The following statement of facts which is made un from the documents s supposed to be more than half a milpublished in the Bulletin, will give ou readers a clear conception of the trans actions of Evans, who was appointed by Governor Geary to collect the "dis allowed and suspended " claims of the State against the United States, unde oast is indented. an act of the Legislature of Pennsylva nia, approved March 22, 1867. The agent's compensation was not to exceed ten per cent on the amount collected.-The claims collected by Mr. Evans from the date of his appointment to this time amount to \$2,308,201.61. Of this how the savages what civilization can sum three government warrants amounting to \$321,014,44, have neve been paid into the Treasury of the Stat of Pennsylvania. One of the warrants dated May 1, 1867, for \$78,516.89, drawt in favor of Governor Geary, was paid to G. O. Evans on the first of May of th same year, within less than a month of the appointment of the agent. Morthan four years have elapsed, and the Treasury has no account of the money The second unpaid warrant is for \$105, 551.46, is dated October 28, 1868, and is by the administration. If the taxpaydrawn in favor of Governor Geary. The third, dated August 27,18 846.09. Of these sums there is no ac stands. count in the State Treasury. Dr. Evans instead of paying over the money, ha been using it for his own purposes.-Whether others have been connected with him in this job will be fully determined in the future. In withholding this money, he has proved himself a faithless, corrupt and dishonest agent and should be prosecuted criminally without a moment's delay : and all who are associated with him in the job should be exposed and punished. Within less than a month of his appointment he received the sum of \$78,516,89, and apprinted it to his own use, and to that o so long ruled here, expect to carry off his official and unofficial accomplices all the principal prizes at the coming Evans has made a statement of hi Primary Election. AUDITOR-GENERAL'S OFFICE, HARRIS-ArDITOR-GENERAL'S OFFICE, HARRIS-is reached, where is incredianeter isolfy 12 feet. The wall at the bottom is 8 feet 6 inches thick, and at the lantern only 18 in-ches, and contains 600,000 bricks. The light is 150 feet from the ground, and is reached by a circular iron stairway divided into 8 flights of steps—6 long and 2 short ones— numbering in all 217 steps. At the top of these steps we stand amazed at the result of man's genius. Nothing can be more beau-Grant's Contempt for Law

thing before attempted in this country, is, atter all, entirely in harmony with the gen-eral conduct of Grant since his accusion to the Presidency. The predominant characteristic of his administration from the beginning junti how is contempt of law. Immediately after the inauguration, Gen. Grant appointed Adolphe Borie, of Phila-delphia, to the nominal position of Secre-tary of the Navy at the same time assign-Grant appointed Adolphe delphia, to the nominal p tary of the Navy, at the s ame time assign ng his own personal favorite, Admiral David D. Porter, to perform the real duties b) Dayld D, Porter, to perform the real duties of the oilice. This involved both imposture and usurpation. The Presidenthad no right whatever to intrust any naval officer with the power and autority of Secretary of the Navy. The act was one of contempt for law upon a great scale; and it was persevered in until Mr. Borie, who has some sensitive-ness, courd bear it no longer. Another act, notorious men and since, in which Grant's contempt for law has been manufeed is the abountment of Augus-Yours, etc. J. F. HARTRANFT, Auditor General, R. W. MACKEY, State Treasurer.

nanifested, is the appointment of Augusor of Internal Reve tus C. Ford as Assessor of Internal Reve nue in the Eighth District of this city.nue in the Eighth District of this eig.-Ford was the old crony of General Grants, the Ford family having been connected with the Grant family in various ways. The law requires that every Assessor of Internal Revenue must live in the district where his office is; but Ginnt appeariest Ford, although he knew at the time that he-rived in Brooklyn; and though Ford still ives there, he is continued in office. Another unblushing outrage upon the law is Grant's mantenance of a military

law is Grant's maintenance ourt at the White House. vides that no inditary officer shall be a tached to the household of the President and expressly forbids any such officer t perform the functions of any civil post. Nevertheless, President Grant has the first kept about his person 12 reseverancies, President Grant has from the first kept about his person Uree or four Generals and Colonels, giving the mansion of the Chief Magistrate the ar-pearance of a military head quarters. This also has involved imposture as well as a violation of law. These officers are sent to Congress with messages from the Presi-dent, and in the official journal in winch the proceedings of Congress are published they are sooken of without their colliers. they are spoken of, without their military trues, as Private Scretarics of the Presi dent, when all the while it is notorious that they are officers of the army detailed om their proper duties to swell the cour

to that wonderful dome of glass. We could be a definite a summary of the summary

Rape and Murder in Kentucky.

----Frightful Accident.

Rape and Murder in Kentucky, **#** if LoUISVILE, Aug. I.. - On Saturday last a girl aged 10 years, daughter of Thomas Bennet, living near Fulton Station, on the Paducah and Guif Faliroad, was missing from her home and search was vainly made for her. A negro who had been working for Bennett since the war, was suspected and arrested, but escaped. He was how-ever, shot and recaptured, and confessed that he had attempted to commit a rape on the child, but not succeeding, he first choked her to death, and then accomplished his infamous purpose with the aid of a knife, after which he threw her body into a pond. At the last accounts the field was pond. At the last accounts the fiend was in custody, but Las, no (loubt, been lynched
