

TO CORRESPONDENTS. The Editor of the Intelligencer is not responsible for the opinions or statements of correspondents.

Winter Care of Stock. The Fall is upon us with all its storms and changes, so fearful to all kinds of stock exposed to it, shivering and shivering with cold, and in preparing to go at a disadvantage into winter quarters.

Non-Sitting Breeds of Fowls. In case where many fowls are kept, it is desirable to have a few non-sitting breeds of fowls.

Stock-Rabbing and Fattening for Market. A change is generally continuing in the enterprising portion of the agricultural community.

Fall Planting of Fruit Trees. The best time to plant fruit trees, whether in the Fall or Spring, has long been a mooted question.

Cooking Feed for Swine. I am now feeding some thirty pigs, and have found that the best feed for them is a mixture of corn and potatoes.

How to Feed a Cow. A correspondent writes that he has a cow that will not eat much, and asks for advice.

How to Feed a Horse. A correspondent writes that he has a horse that will not eat much, and asks for advice.

How to Feed a Pig. A correspondent writes that he has a pig that will not eat much, and asks for advice.

How to Feed a Sheep. A correspondent writes that he has a sheep that will not eat much, and asks for advice.

How to Feed a Goat. A correspondent writes that he has a goat that will not eat much, and asks for advice.

How to Feed a Duck. A correspondent writes that he has a duck that will not eat much, and asks for advice.

How to Feed a Chicken. A correspondent writes that he has a chicken that will not eat much, and asks for advice.

How to Feed a Turkey. A correspondent writes that he has a turkey that will not eat much, and asks for advice.

How to Feed a Rabbit. A correspondent writes that he has a rabbit that will not eat much, and asks for advice.

How to Feed a Guinea Pig. A correspondent writes that he has a guinea pig that will not eat much, and asks for advice.
