WAR TAX MEASURE FOLLOWS LINES OF DEMOCRATIC CAUCUS

Majority of Ways and Means Committee Approve Rates on Beer and Wines-Republicans Plan to Fight

WASHINGTON, Sept. 18 .- Formal uproval of the Democrats of the Ways nd Means Committee of the House was tiven today to the war tax of \$1.50 per mrrel on beer, 20 cents per gallon on weet wines and 14 cents a gallon on dry ines. The committee's action simply ollows the directions of the Democratic aucus. No other subjects in the proposed bill were mentioned at the morning session. The committee will resume its work on the bill later in the day.

Further delay occurred in the launching of the measure. Chairman Underwood hoped, however, to introduce it late today or tomorrow. Hopes of passing it before the latter part of next week have been abandoned.

A "conference" of all House Repubcans called for tonight was another obstacle in the path of the war tax. Republican leaders favor a solid stand against the bill, as a campaign issue for the fall elections. A similar "conference" of House Progressives was being agitated

Underwood and other Democrats of the Ways and Means Committee have put the "finishing touches" on the bill, but still are undecided whether the whole stamp and occupation taxes of Scheduic A of the Spanish-American War tax measure shall be incorporated. Underwood, however, said he hoped to present a bill impregnable against amendment and one upon which all Democrats would unite.

Representative Kitchin and other Democratic leaders brought pressure today to reduce the stamp taxes on checks to one cent, instead of the two-cent levy of the Spanish War bill, or at least exempt small checks under \$100 or \$50 from
