

CHICAGO HERE FOR SERIES WITH PHILLIES—HEAT RETARNS FOOTBALL TRAILS

CHICAGO CUBS HERE TO BATTLE PHILLIES TODAY

Interest Locally Now Centered in Boston and New York, Where Crucial Games Are Being Staged.

Though the Chicago Cubs are on deck here this afternoon with the Phillies, the chief local interest will be centered in the games in Boston and New York, where the Braves and Giants are making their respective fights for the pennant.

While the pitching yesterday in the last game with St. Louis was not high class by any means, the Phillies should again have won out easily, and would have had but for the work on the bases.

At the Philly-Cardinal game yesterday were "Brick" McInnis, first baseman, and Izzy Hoffman, manager of the Reading Tri-state club.

Just what have bases on balls will do is shown by the record of Miller Huggins in the five games.

PERSONAL TOUCHES IN SPORT

If you're a welsensheimer speak an' wanna call this cent Dookube we won't make any kick. If you wanna change your lunk n' try pronouncing it Dookube we won't say that you're sick.

Jean's star don't bloom off all the sky. His ratin' isn't very high as wintin' pitchers go.

His slow ball was his stock in trade when he stepped out in '12 an' made his noisy big league bow.

Hot days when the sun on the brown award is burning, And running is torture, for water you're yearning.

Wet days when the mud on your cleats is clammy, When slant rain is driving and catching's mere praying.

Cold days when your fingers are numb and unyielding, When a shiver is shrieking and no sweater's shielding.

Last day, when you tremble with longing, And the day of the match and last words you're hearing.

Last fall Captain Kilburn, of the Yale football team, made himself ridiculous by stating that he would not consent to the players of old Eli being numbered for the benefit of the spectators.

Unless something terrible happens we will be at the fight between "Kid" Williams, world's bantamweight champion, and "Young" Jimmie Howard, of Detroit.

Pen's may not establish a record number of touchdowns against Gettysburg Saturday, but the game is apt to be the best played in about forty years, judging by the weather.

ATHLETICS MAY NOT HAVE CHANCE TO TAKE REST

Close Race in American League Likely to Keep Regulars in Action Until Few Days Before Series.

CHICAGO, Sept. 23.—Another hiatus in the American League schedule today gives Connie Mack, who has just arrived here from Cleveland, a chance to do much thinking and more planning.

Last season the pennant was won mathematically, in time for all of the champions who needed a lay-off to take it. That this method resulted in improved play in the series was evident from the results of the five games.

Mack does not have any set method of training his men for the series. He allows each one to get in shape the way he thinks best, and with a band of such high-grade athletes on his roster, the leader is sure that when the day comes for the final test each man will be in the best shape of the season, barring accidents.

In the game yesterday in Cleveland, when the Mackmen completely overran the Naps, Mack deviated from the line-up as set above.

BOB SHAWKEY It is probable that Bob Shawkey, the right-hander whom Connie Mack landed from the Baltimore club last season, will be one of two youngsters in the world's series this fall.

COLLINS WILL BE PREPARED WHEN BIG SERIES STARTS

Athletics' Star, Who Will Cover Annual Baseball Classic for Evening Ledger, Well Equipped and Qualified.

Eddie Collins will have to rush home and begin filling his typewriter if he expects to have the machine in working order for the world's series, because Ban Johnson has decided that the diamond classic will begin at the earliest possible date, which is October 5, one day after the close of the major leagues.

Many ball players can go through a game and at the finish they will be unable to tell just how it happened. More than once the turning point of a game has been successfully encountered by a player and yet when the heat of battle had subsided that same player was unable to state wherein the turning point lay.

The golfers' aftermath In looking back a short way over the summer and fall golf season one of the first things that strikes the average observer is the frequency with which the winners have been from the foreground.

Another freight one is apt to be life on some railroad shortly if reports be true. It is understood Carl Morris is going to Australia.

Navy football followers believe they have again struck it rich. So do we, as Lieutenant Douglas L. Howard has been appointed to act as head coach of the future admiral.

That feather medal of the first rank rank goes to the student youth who sat through nine whole minutes swathed in a closely knit sweater. Oh!

"Tom" Quigley, Wilkes-Barre's fight promoter, has just announced of a parking good battle for his followers.

Unless something terrible happens we will be at the fight between "Kid" Williams, world's bantamweight champion, and "Young" Jimmie Howard, of Detroit.

Saginaw Wins Pennant BAY CITY, Mich., Sept. 23.—Saginaw won the championship of the South Michigan League yesterday by defeating the Bay City baseball team, 3, in the seventh game of the post-season series.

By EDWARD R. BUSHNELL The announcement that Yale celebrated its first actual gridiron practice on Yale field behind closed gates came as something of a shock to the college world.

There may be some special reason for Yale's extraordinary precaution at this time, and the gates may still be flung open more widely than before in a short time.

If it be granted that there is some advantage in secret practice its value is more than offset by the loss of understanding to the fans.

Football conditions at Michigan wouldn't be normal if Coach Fielding H. Yost did not develop one or more sensations in his back field.

Rockefeller and Jones alternated at fullback and end constant training.

Dave Kerr Back at G. H. S. The Central High School teams have been greatly succeeded by Dave Kerr's return to school.

COLLEGE HILL AND BALE RACE MAY COME HERE

As Every Other Institution Has Fostered the Event, Pennsylvania Will Likely Bid for It Next Year.

The chances are that if the University of Pennsylvania track authorities take the proper initiative the intercollegiate A. A. A. cross country championship for 1915 will be held in Fairmount Park.

Pennsylvania has at her door one of the most ideal cross country courses in America, and one that is probably as hard as the famous one over the hills in and about Ithaca.

The candidates for the Quaker cross-country team will be called out on Tuesday of next week, when Coach George W. Orton will give them an easy run through the Park.

Of last year's team the Quakers have only Captain Huston, who was 32d, and Stroud, who was 15th.

English Soccer Results LONDON, Sept. 23.—Two important Scottish League games were decided yesterday. Hearts entertained the improved Ayr United and winning by 1 to 0.

"Ted" Meredith, of the University of Pennsylvania, national 400-yard champion; Tom Halpin, of Boston, ex-national 200-yard champion; Homer Baker, of New York Athletic Club, the present American and English champion for 80 yards, will compete in the annual athletic tournament under the auspices of the New York Athletic Club.

Hale & Kilburn A. A. Plans Second Annual Set of Games October 3—Entry List Expected to Be Large.

The Hale & Kilburn Athletic Association will hold a track and field meet under the auspices of the Amateur Athletic Union Saturday afternoon, October 3.

There will be six open handicap events, seven closed events and an invitation industrial relay race.

The javelin throw will be one of the open events to be decided at this meet. Just at this time a lot of interest has been aroused in this stunt.

The Middle Atlantic Association has offered \$100 to the James E. Sullivan Memorial Committee, which proposes to erect a shaft to the memory of the deceased athlete father.

The Millrose Athletic Association, now that it possesses a cinder path the equal of almost any in the city, has applied for a license to hold its ten-mile national running and seven-mile walking championships.

THE MORNING PROVED ITSELF MONARCH OF THE DELAWARE

Joseph Snellenburg's Flyer Has Clear Title to Championship of Local Cruisers by Its Many Victories Last Season.

The racing season for cruisers in this section of the country is practically over, but the yachtsmen, who have had their boats competing in the many cruises contests during the past three months, are still talking and figuring on the probable outcome of the different races, which are now a matter of history.

While almost every club in the Delaware River Yacht Racing Association pulled off some sort of a cruiser race, there were but five real cruiser contests on the Delaware, of which three carried championship honors.

The Minna, owned by Joseph Snellenburg and flying the emblem of the Ocean City Motor Boat Club, is the champion cruiser on the Delaware, having won a championship and a special race and finished second in the Baltimore contest.

The first event was the handicap cruiser race on May 20 from the Eastington to Overfalls. The second contest was the handicap cruiser championship on June 12 and 13 from the Keystone Yacht Club, Tacoma, to the return, a distance of 185 nautical miles.

On June 27 the handicap championship event for glass cabins and express cruisers from the West End Yacht Club of Chester to Trenton was run, a distance of 43 nautical miles, was run off. The next race, in fact the most important on the Delaware, since the race to Bermuda was called off, was the run on July 22, 23 and 24 from the Camden Motor Boat Club to the Maryland Motor Boat Club, Baltimore, Md., a distance of 56 nautical miles.

In the Baltimore race the Flyaway III, a wonder in cruiser craft, owned by the Chesapeake Yacht Club, of the Washington Yacht Club, of New York, starting from scratch and conceding handicaps up to 17 minutes and 55 seconds, caught the other nine cruisers in the Chesapeake Bay, winning the trophy, 17 miles out to sea. It finished the 58-mile run in 23 hours and 59 minutes, 17 hours before the next craft, the "Caloph," owned by the Chesapeake Yacht Club, of New York, starting from scratch and conceding handicaps up to 17 minutes and 55 seconds, caught the other nine cruisers in the Chesapeake Bay, winning the trophy, 17 miles out to sea.
