

KUEHNLE ROUTED IN CONGRESS FIGHT IN ATLANTIC COUNTY

Assemblyman Emerson L. Richards, the Commodore's Candidate, Badly Beaten by Bacharach.

ATLANTIC CITY, Sept. 22.—Route of Kuehnle was absolute in yesterday's test of strength between the Bacharach forces, working in conjunction with the new organization of the City Commission and the remnants of the once powerful organization that did the bidding of the "Commodore."

Assemblyman Emerson L. Richards, the Commodore's candidate for Congress, was defeated by 1414 votes in the city, Bacharach carrying all but eight of the 43 divisions. The Kuehnle forces lost the second ward, the Commodore's home division, by 276, Richards losing five of the nine divisions.

The routed Assemblyman made a better showing in the mainland districts, and with all but five districts accounted for, Bacharach's lead will not exceed 1250. Cumberland County, to the great surprise of warring factions here, went for Richards by 441. Bacharach had claimed the county. This is regarded as a severe defeat for ex-Senator Isaac Nichols, Senator Blanchard White, of Burlington, who ran third in the congressional race, received the news of his defeat here. He attributed Burlington's poor showing to the candidacy of ex-Senator Griffith Lewis and insisted he would have won with Lewis out of the race.

Joseph R. Bartlett, regarded as a Kuehnle man, was nominated for sheriff by the Republicans. A. M. Heston, anti-Kuehnle, was named for City Treasurer. Edmund C. Gaskill won a five-corner race for recorder.

SCOVEL SUFFERS CRUSHING DEFEAT AT HANDS OF HAINES

City and County Republicans Support Camden Councilman for Sheriff. Running on a platform condemning Organization rule, ex-Prosecutor Henry S. Scovel yesterday at the primary election suffered a crushing defeat in his fight for the Republican nomination for Sheriff of Camden County. Joseph Haines, a member of City Council, won by a plurality of 356, with three county districts missing. Haines' vote totaled 777, and Scovel received 418. William F. Gibbs and Harrison H. Marter, Jr., polled 421 and 305, respectively.

John B. Kates, Gardfield Hancock and James A. Wadsworth were nominated for Assembly on the Republican ticket in one of the closest races that ever marked a Camden primary. Wolverton and John H. Fort ran closer for third places. With returns from three districts still to be reported, Wolverton wins by a scant 276. Kates was highest with 10,456 votes, and Hancock was second with 8331. Dean F. Prosser, recorder of Haddonfield, supported by the Anti-Saloon League, polled 1895 votes.

Haddonfield marked the race for the five places on the Republican ticket for excise commissioners. There were sixteen aspirants for the nomination. The winners and their votes follow: W. A. Huff, 153; Matthews Baines, 329; W. Taylor Wright, 306; Howard Lee, 314; and Robert Van Mater, 302. The other candidates and their votes follow: Chamberslain, 274; Ladd, 241; Barrett, 234; Sweeten, 215; Davis, 166; Guang, 151; Schmitz, 105; Whitney, 81; Moore, 70, and 28.

State Senator Read was renominated without opposition, as were also Harry C. Dale, Charles Mills and T. Harry Frank Cook for the Board of Education. Dr. Frank Cook was proposed for the nomination for Coroner.

The most stubborn fight for Council on the Republican ticket was in the seventh ward, where Edward Henrich defeated Fred Von Neida by four votes. In the Fourth Ward Harry A. Read won from A. R. Dease, 315 to 138, and Councilman Mills, of the Sixth Ward, won in a three-cornered race with F. D. L. Covey and Simon Besser. Mills' vote was 290, Bressor's 224 and Covey's 115. Councilman Robert W. Gordon defeated William Frank in the Fifth Ward, 502 to 311. Frank Pettit won from Edward Frame in the Ninth Ward, 459 to 190. Councilman Deacon defeated Coroner David Bentley in the Tenth Ward, 312 to 263.

Democrats showed little interest in the primary, their vote being very light. Alvin B. Pittman was named for Sheriff, H. Graham Blesley for State Senator, and Dr. Hyman Goldstein for Coroner. There was no opposition to Daniel S. Metzger, Herbert W. Royce and Ralph W. Wescott for Assembly, and William T. Davis, Howard Yearsley and George M. Fisher for Judges.

The Democratic Excise nominees are Frank Aleott, Henry F. Brown, Michael J. Durkin, William Rutherford and Frank K. Williams. The following tables show the vote in the contests for Sheriff and Assembly.

BRYAN'S LINCOLN FRIENDS COLONEL'S PRESS AGENTS

Nebraska Democrats Work Hard to Get Audience for Roosevelt.

LINCOLN, Neb., Sept. 22.—Woman suffrage was endorsed and Progressives of this State were urged to support all Progressive principles in a speech delivered here by Colonel Theodore Roosevelt. He also asked the voters to support equal suffrage for women. On the theory that each vote polled for the Progressives in Nebraska would aid in the defeat of the Republican ticket, the Democrats, headed by many of Secretary Bryan's friends, worked hard to promote a large gathering for the Colonel here. Mr. Bryan's home town. Officials of all State party committees attended the meeting.

Mr. Roosevelt caustically referred to Mr. Rowe, Republican candidate for Governor, who remained in his party after protesting vigorously against the use of machine control. The ex-President has accepted an invitation to be the guest at dinner of Governor Edward F. Dunne, of Illinois, at Springfield, tomorrow night.

BOONE, Ia., Sept. 22.—Progressives of this city are hosts to Colonel Roosevelt today. The Colonel made two addresses in Iowa today, the first here at a luncheon in his honor given by John L. Stevens.

An special election train will convey the party to Des Moines where he will make an evening speech.

MEAD WINS IN GLOUCESTER

Five-cornered Fight for Republican Shrievally Nomination.

WOODBURY, N. J., Sept. 22.—Robert Mead, of Glassboro, won the Republican nomination for Sheriff of Gloucester County yesterday by 400 majority over Benjamin James, of Pitman Grove. The fight was five-cornered and all of the candidates ran well. Harry Cahill, of Westville, Deputy Sheriff, was nominated by the Democrats.

State Senator Gaunt won easily the Republican nomination for re-election. His opponent was William K. Roberts, of Woodbury. Oliver J. Palmer, nominated by the Republicans for re-election to the Assembly by a large majority. The Democrats named Willard T. Panch, of Pitman Grove, Sheriff. William C. Allen was nominated without opposition by the Democrats for State Senator. The Republicans nominated Dr. Ralph K. Hollingshead, of Westville, for Coroner, and the Democrats, E. Z. Hillegas, of Mantua.

STIFF BATTLES IN GLOUCESTER

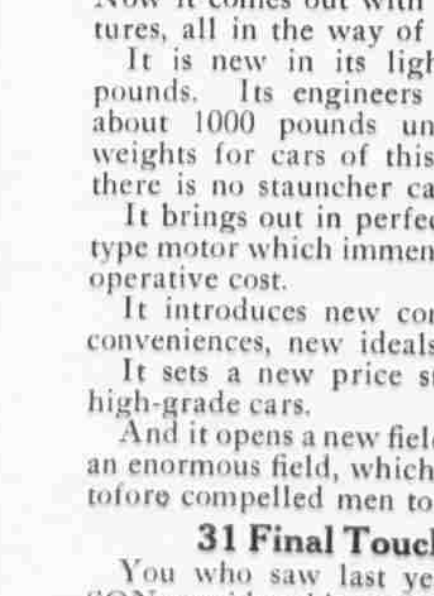

Plenty of Candidates Seek Nominations for Mayor and Councils. GLOUCESTER CITY, Sept. 22.—David M. Anderson, former Postmaster, was nominated by the Gloucester Republicans for Mayor in a five-cornered contest. He polled 282 more votes than former Mayor George C. Wynkoop. Patrick Mealey, the present Mayor, was renominated by the Democrats by a vote of 517 to 119 over his opponent, Frederick Kirby, a Justice of the Peace.

There was a hot fight on both tickets for the nomination for Councilman-at-large. Councilman Charles Fowler, of the second ward, was nominated by the Republicans. Charles A. McMillen, President of the Camden County Board of Taxation, was nominated by the Democrats. In the First Ward William E. Bernard was nominated for Councilman by the Republicans. Bernard A. Gallagher was choice of the Democrats. Michael J. Coyne, President of Councils, was nominated for re-election by the Progressive-Alderman, Harry Hebenthal.

HUDSON Six-40—\$1550 This Year f.o.b. Detroit

1915 Model

The HUDSON Six-40 for 1915 is not merely a new model. It marks a new conception in motor car designing. It is the car which last year pioneered a new era, and it proved itself the greatest of HUDSON successes. Now it comes out with 31 new features, all in the way of refinements. It is new in its lightness—2890 pounds. Its engineers have saved about 1000 pounds under former weights for cars of this class. Yet there is no stancher car. It brings out in perfection a new-type motor which immensely reduces operative cost. It introduces new comforts, new conveniences, new ideals in beauty. It sets a new price standard for high-grade cars. And it opens a new field to Sixes—an enormous field, which price heretofore compelled men to buy Fours.

BRUMBAUGH WINS GREAT OVATION FROM VOTERS OF CLINTON

Republican Candidate for Governor Addresses Largest Political Assembly Seen in Lock Haven in 20 Years.

WATSON TOWN, Pa., Sept. 22.—Dr. Martin G. Brumbaugh arrived here this morning from Lock Haven, where in the Garden Theatre last night he addressed the largest political rally of any party held there for twenty years. Half an hour before his address was scheduled to begin the doors of the auditorium had to be closed to keep back the crowds which were overflowing the aisles and corridors.

Daniel F. Lafean, candidate for Congressman-at-large on the Republican ticket, declared that Dr. Brumbaugh was a man not only of gubernatorial but of the best Presidential timber in the United States.

Doctor Brumbaugh opened a vigorous attack upon the policy of the Wilson administration in harassing the people with a war tax as a specious subterfuge of an incompetent administration to cover up a deficiency in revenues caused by the present low tariff, enacted by the present administration.

The declaration that he had never known a boss and that he never would call forth enthusiastic applause for Doctor Brumbaugh. After this declaration he pledged himself, if elected, to inaugurate a clean, capable and conscientious administration of the affairs of the Commonwealth.

BAY STATE REPUBLICANS HEAD TICKET WITH M'CALL

Democrats Renominate Governor Walsh.

BOSTON, Sept. 22.—Complete returns from yesterday's State primaries show that the Republicans nominated Samuel W. McCall for Governor. There was no contest in the ranks of the Progressives and Democrats, the former naming James Walker, while the Democrats re-named Governor Walsh. In the congressional contests virtually all the organizational candidates were nominated, although in some cases there were spirited contests.

A new record for small attendance was set in the primaries. The voting was expected to be light, but proved to be even lighter than predicted. Most of the interest was centered in the Democratic nomination for Congress in the Tenth District. Peter F. Tague, of Charlestown, backed by Ex-Mayor Fitzgerald, Martin M. Lomaxey and Congressman Murray, defeated John A. Kellher, supported by Mayor Curley and many of the latter's adherents, by a majority of about 600 votes.

PINCHOT WILL STICK TO END

Reiterates Denial of Intention to Retire From Contest. Gifford Pinchot, the Washington party candidate for the United States Senate, yesterday declared he had never offered to retire in favor of Mitchell Palmer. "I would be willing to do so," he wrote, "if that were the surest way to beat Pinchot, which it is not."

Mr. Pinchot said the Washington Party was the majority party in Pennsylvania and that the Democratic party was a minority. In conclusion, he wrote: "I will be a candidate until after the polls close and the votes are counted. Any statement to the contrary, whether made heretofore or hereafter, I brand as absolutely false."

PRESIDENT'S FRIENDS VICTORS IN NEW JERSEY

Present Congressmen Renominated. Close Contest in Hudson. TRENTON, Sept. 22.—Slow returns being received today from yesterday's primary election indicate that practically all of the present Democratic congressional delegation of Wilson men have been renominated. Bitter local fighting in several counties of the State served to swell the total vote cast to fair proportions.

In Hudson County, where Governor Fielder's forces were arrayed against those of Naval Officer Mitchell Palmer, the Democratic primary, the result seems to be in doubt. The State leadership hinges upon the outcome.

No comparative figures of the total votes of the parties can be given at this time, although it is known that the Progressive vote was very light yesterday. This is partly ascribed to the fact that this party was without the candidates which served to bring out the Republicans and Democrats and to the further fact that the Progressives in some cases had faded with the Democrats.

CUMBERLAND COUNTY VOTE

ROOSEVELT PRAISES STAND TAKEN BY U. S. IN EUROPEAN WAR

Writes in Outlook That Present Neutrality Will Aid Work of Peace When Time Comes.

NEW YORK, Sept. 22.—In the current number of the Outlook, which made its appearance today, Theodore Roosevelt, who was formerly a contributing editor, discusses the European conflagration in an article entitled: "The world war: its tragedies and its lessons."

Colonel Roosevelt records the claims and counter claims of the belligerent Powers and expresses profound gratitude that the United States, of all the great civilized nations, "stands unshaken by the present world-wide war."

In part the article says: "Peace which leaves Belgium's wrongs unredressed and which does not have any effect against a recurrence such as those from which she has suffered, would not be real peace."

On the attitude of the United States, Colonel Roosevelt writes: "What action our Government can and will take I know not. It has been announced that no action can be taken that will interfere with our neutrality. It is certainly eminently desirable that we should remain entirely neutral, and nothing but urgent need would warrant from our neutrality and taking sides one way or the other. Our first duty is to hold ourselves ready to do whatever the changing circumstances demand, in order to protect our own interests in the present and in the future; although for my part I desire to add to this statement the proviso that under no circumstances must we do anything dishonorable, especially toward unoffending weaker nations."

"Neutrality may be of prime necessity in order to preserve our own interests, to maintain peace in so much as we are not affected by the war and to conserve our hope toward the establishment of general peace when the time comes; for if any outside power is able at such a time to be the medium for bringing peace it is more likely to be the United States than any other. But we pay the penalty for this action on behalf of peace for ourselves and possibly for others in the future, by forfeiting our right to do anything on behalf of peace for the Belgians in the present."

"We can maintain our neutrality only by refusal to do anything to aid unoffending weak powers which are dragged into the gulf of bloodshed and misery through no fault of their own. It would be folly for us to jump into the gulf ourselves to no good purpose; and very probably nothing that we could have done would have helped Belgium."

Discussing the cause and provocations which led to the war, Colonel Roosevelt recites the claims and counter claims of each of the warring nations. Russia, he thinks, could not have done otherwise than to aid Serbia, because of the racial ties existing between them. Germany was led on by her close alliance to Austria-Hungary. France was led on to support Russia and "when once Belgium was invaded every circumstance of national honor forced England to act as she did."

"At this moment, for instance, Japan has declared war against Germany. She has paid scrupulous regard to our own rights and feelings in the matter. The contention that she is acting in a spirit of mere disinterested altruism need not be considered. She believes that she has wronged to redress and strong national interests to preserve. Nine years ago Germany joined with Russia to check Japan's progress after her victorious war with China, and since then itself built up a German colonial possession on Japanese soil. Doubtless Japan never for one moment has forgotten this act of Germany."
