

DEMOCRATS APPEAL FOR REGISTRATION IN FIGHT ON PENROSE

Palmer-McCormick League Calls on All Voters to Qualify—Table to Show Work in 1913 Prepared.

Alive to the necessity for a record registration on October 3 to defeat Penrose, the Palmer-McCormick League has prepared a table showing by wards the number of registered citizens in 1913, the number who registered on the three days, and the number who entirely neglected their right of suffrage last year of failing to register and vote. The table will be used in an effort to bring out every unregistered citizen on the last registration day, October 3.

The defeat of Penrose hinges to a great degree upon a very large registration on October 3," declared Roland S. Morris, Democratic State chairman, this morning. "The figures bearing upon this will be placed in the hands of our workers in every division in Philadelphia, and our appeal to the citizens will be to use the most powerful weapon known in the fight against Penrose, which is their right to the ballot and the obligation which devolves upon them to exercise this right. Speeches urging all independent voters to use their right of citizenship and register will be made in this city just prior to the last registration day by Vance C. McCormick and William Draper Lewis. It is understood, further, that Colonel Roosevelt's speech here on the night of October 1 will be partly given over to the appeal to the individual citizen to register and vote.

In the first two registration days this year 152,610 citizens qualified. As the annual lists show 37,777 citizens eligible to vote if registered, there still remain 114,833 who can qualify October 3. On the first two registration days last year 142,200 qualified and on the last day 115,873. The total number eligible to register then was 372,533.

The highest number ever registered in this city was in 1911, when the total was 295,552.

To equal this record 114,016 will have to register on the final day this year, which is nearly 200 less than registered on the final day last year.

The table compiled by the Palmer-McCormick League, showing the assessments, registrations and the percentage of voters who neglected to go to the polls last year, follows:

Ward	Assessed, Registered, Total	Per cent
First	8,144 7,778 94	94

PINCHOT IN OIL COUNTRY

Challenges Penrose to Name Supporter Not Marked With "Rubber Stamp."

RENOVO, Pa., Sept. 25.—Gifford Pinchot, Washington state candidate for United States Senator, left here early this morning to continue his campaign tour through the small towns of Warren County. Speaking in front of the Hotel Clinton here last night Mr. Pinchot challenged Senator Penrose to name a supporter not marked with a "rubber stamp" Republican or who had not a political favor to ask.

Although bitter in his denunciation of Penrose and Penroseism, Mr. Pinchot did not mention any of the other candidates.

PENROSE IN THE SLATE BELT

Speaks at Dinner, Where He Pays Tribute to Welsh Patriotism.

BANGOR, Pa., Sept. 25.—Senator Penrose left here for Altoona this morning, his itinerary while en route including visits to Easton, Harrisburg and Gettysburg. To ceremonies incident to the unveiling of a statue of Robert Morris Jones, who was the first Chief Burgess of Bangor, was the occasion of Senator Penrose's visit here yesterday. He was the principal speaker at the unveiling ceremonies and the banquet and dinner at the Hotel Clinton here last night.

As a large proportion of the population in this vicinity is of Welsh descent, the Senator was widely cheered when he referred to his own Welsh ancestry and paid tribute to the Welshmen who have been notable figures in Pennsylvania history.

AGAINST PENROSE CANDIDATES

Anti-Issue Men Form Committee to Oppose Men Chosen by Ring.

To oppose the election of candidates who say they were nominated by Senator Penrose and the liquor ring, a number of citizens have formed a committee to work the election of Gifford Pinchot as United States Senator and Vance C. McCormick as Governor.

E. B. Buckalew, secretary of the Scranton, Pa. C. A., who was chairman of a meeting of men opposed to the election of the Penrose candidates, held in Harrisburg last week, has named the following: R. A. Hutchinson, Pittsburgh; George B. Johnson, West Chester; E. E. Stauffer, Myerstown; John Watcher, Philadelphia; and E. D. Ferguson, Philadelphia.

The committee may hold a meeting in Philadelphia next week.

NEW PRESIDENT OF ALBANIA

Ex-Minister Mustapha Bey Said to Have Been Elected.

ROME, Sept. 25.—A dispatch to the Corriere della Sera states that Mustapha Bey, former Turkish minister to the United States, has been elected provisional president of Albania by the Albanian Senate in session at Durazzo.

The Mustapha Bey who served as minister to the United States in 1909-10 was well advanced in years and it is probable that he has been confused in the foregoing dispatch with another Mustapha Bey.

MORRIS ANSWERS PENROSE

Denies Statement That Civil Service Code Has Been Violated.

Roland S. Morris, Democratic State chairman, in a formal statement yesterday, classed as "complete, wilful and unmitigated misstatements" the charges of Senator Penrose that there had been violations of the Civil Service Code in the Consular Department at Washington. Senator Penrose charged that experienced men in the Consular Service have been replaced by hordes of hungry office seekers with no qualifications or experience for their duties.

"Penrose forgets," Mr. Morris said, "that the people read the papers and know the facts. Not a single item in the Civil Service code of the Consular Department has been abrogated. Not a single appointment to the Consular Service has been made without civil service examination."

U. OF P. OPENS ITS DOORS FOR 174TH ANNUAL SESSION

Important Changes Include Establishment of Separate School of Education. Many Professors in Europe.

The 174th annual session of the University of Pennsylvania was formally opened this morning in Weightman Hall. It was begun with a devotional service in the Chapel, conducted by Provost Edgar F. Smith, who delivered the address of welcome to the students.

Vice Provost Pennington, dean of the nine University schools, also extended a word of greeting and made a number of important announcements. Among these was the announcement that the new School of Education, under the head of Dr. Frank P. Graves, will be conducted this year as a separate school, having its own faculty of 45 professors and teachers.

In thus recognizing education the University is following out the general policy of Provost Smith in raising the standards and efficiency of the University.

Professor William B. Ewald, in place of Dr. William Draper Lewis, who is on leave of absence for one year.

This is the last year when the old requirements for admission to the law school will be accepted. In the future only a degree from colleges and universities will be accepted.

In the medical school for the first time in the 150 years of its history women are being admitted to the general courses.

A number of professors have gone abroad, it was announced, have not returned, being unable to get passage for home. There were 77 members of the faculty who were abroad during the summer. Of these Paul Cret, professor of design, and Leon Arnal, assistant professor of design, have gone into the French army, the former as a private and the latter as a lieutenant.

Walter Fischer, instructor in French, has entered the German army as a reserve lieutenant. Professor of psychology, ban, assistant professor of psychology, has entered the Austrian army, and Victor Emil Sabary, instructor in German, the Austrian army.

In the Dental School an announcement was made of three new professorships which are destined to mark an epoch in dental education in America.

In the Wharton School and Graduate School Dr. Leo S. Rowe, professor of political science, is on leave of absence during the fall term.

American, studying conditions there. During his absence Dr. John H. Latane, professor of history at Johns Hopkins, will give Dr. Rowe's lectures in international law. Extension schools of the Wharton School will be opened this fall in Reading and Harrisburg.

The new building of the Evans Dental Institute and Museum will be ready for occupancy during the coming winter. It will be the largest and best equipped dental laboratory in the world.

For the purpose of providing additional space for the Wistar Institute of Anatomy the old police station and fire house at Woodland and Spruce street have been fitted up for the purpose.

The new Cleemann Dormitory has been completed during the summer and will accommodate 20 additional students this fall. Many of the old dormitories have been renovated. Among the new fraternities are the Phi Gamma Delta, Delta Upsilon, and the Delta Psi.

At 314 Locust street, the new room of the Middle Law Library has been refitted and is now capable of receiving 100,000 volumes.

FREDERICK GUTEKUNST, WAR PHOTOGRAPHER, IS 83 TODAY

Took the Best Picture of General Grant Fifty Years Ago.

Frederick Gutekunst, who was one of the first men to go to war with a camera in lieu of a musket, is celebrating his birthday today at his studio, 712 Arch street, where he started in business 57 years ago.

Many friends called to offer congratulations. The aged photographer would have been surprised at the number of his callers had he not been forewarned. A friend, knowing that Mr. Gutekunst generally forgot the arrival of the anniversary of his natal day, dropped into the studio yesterday to join the photographer's memory.

Mr. Gutekunst was called the official photographer of the Army of the Potomac. Many years ago he experienced just such inconveniences as the present war photographer is meeting. He was not wanted on the battlefield, but he managed to get where the action occurred at Gettysburg two days after all the big excitement was over.

He was wounded in the hospital camps, the carcasses of horses and the wounded later in the hospital camps.

All the generals liked to pose for Mr. Gutekunst. Mr. Gutekunst took a picture of General Grant, of which General Frederick D. Grant said that it is the best likeness of his father ever taken.

DELaware COUNTY JURY WHEEL SCANDAL ATTACKED

District Attorney Lays Charge of Fraud Before the Grand Inquest.

MEDIA, Pa., Sept. 25.—The case of ex-Sheriff S. E. Sproul and Jury Commissioners Jacob Wise and James Stuart, charged with malfeasance in office, was called before the Grand Jury today by District Attorney John B. Hannum.

In December, 1913, the community was shocked by the discovery that 23 names were found in the jury wheel which had not been selected by the court.

The significance of this discovery, it was pointed out, was that the jury to be selected for the trial of criminals would not be an unbiased one, but would consist in part of those whose names, it was alleged, had been improperly placed there to protect prominent Republican officials and politicians accused of forging Washington Party and Bull Moose assassination papers.

WIFE IN COLLUSION, SAYS DITSON, TO GET DIVORCE EVIDENCE

Wealthy Clubman's Answer Disregarded by Court, Who Awards Alimony and Counsel Fees.

NEW YORK, Sept. 25.—Under a ruling handed down by Justice Jaycox, of the Supreme Court, in Brooklyn, Mrs. Esther Ditson, of Cedarhurst, L. I., wife of James Ditson, a wealthy clubman of New York and Washington, has been granted \$250 a month alimony and \$1000 counsel fees pending final settlement of her divorce suit. The order was granted despite Ditson's affidavit alleging that it was arranged between him and his wife that he would enter a hotel with a woman and give evidence upon which to base a divorce suit.

Ditson spends much of his time in exclusive social circles in Washington and is a frequent visitor to Philadelphia. He is a member of the Chevy Chase and Metropolitan Clubs, of Washington, and is heir under the will of his millionaire grandfather, Oliver Ditson, of Washington.

He is a nephew of Charles H. Diston, music publisher of No. 8 East 24th street, this city. The Distons were married in 1909. Mrs. Diston first heard the stories that induced her to watch her husband when they were living in Washington.

Ditson's affidavit, admitting collusion with the alleged knowledge and consent of Mrs. Diston, came unexpectedly in answer to her divorce suit. In his affidavit he said it was arranged between himself and his wife that he would provide the necessary evidence.

He says that when Mrs. Ditson's detectives entered the room in a York hotel here one evening last May and found him with a woman, even the detectives were ignorant of the plot known only to himself and his wife.

In the Dental School an announcement was made of three new professorships which are destined to mark an epoch in dental education in America.

"SAFETY" THE TEXT OF EARNEST PLEAS AT MASS MEETING

Educational Campaign Preliminary to Carnival Which Begins Tomorrow Night Has Enlisted Public Interest.

The preliminary educational campaign of "Safety Week" week nearly over, the city is now awaiting with great interest the opening of the convention and carnival proper tomorrow night at Convention Hall, Broad street and Allegheny avenue. The educational campaign was brought to a climax last night by a large mass-meeting in the ballroom of the Bellevue-Stratford, under the auspices of the Home and School League. Officials of the league expressed great satisfaction today in the interest displayed in "Safety Week," not only by the public at large, but by the railroads, the Rapid Transit Company and other large employers of labor who are earnestly trying to solve the problem of industrial accidents, most of which are preventable.

The problem of accidents and safety in general was brought into strong relief at the meeting last night when Franklin H. Wentworth, of Boston, shocked the audience by bringing out the general admission ticket to the convention and carnival, the nearest fire box to their homes or how to give an alarm. Mr. Wentworth said that the great majority of fires in this country were caused by the careless use of matches. Americans, he said, were the most careless people in the world in dealing with matches. The result of this was that they were causing a loss of life.

Director Porter told of what is being done by the Department of Public Safety to protect the lives and property of the citizens of Philadelphia. Director Porter spoke of the many improvements in traffic regulations, which, he said, have reduced the number of street accidents to a large extent, and to the fact that the theatres of the city have been compelled to spend money in making their exits safer.

Mr. Porter, although he gave great praise to the efficiency of Philadelphia's fire department, said the equipment of the Fire Department in America had improved.

He spoke of the defective engines held in reserve, of antiquated fire boxes in many parts of the city and of the defective hose which firemen are compelled to use.

Mrs. Joseph R. Wilson, head of the committee in charge of the week's program, made an appeal for greater care in the prevention of accidents and disease due to carelessness. She said that while the Government, city State and nation have its duty to perform in this regard, it was up to the people to do their share in exercising greater care and judgment in their homes, in their places of employment and in the street.

Exercises for Children Arranged by Interstate Fair Association.

TRENTON, Sept. 25.—Peace exercises for the children of New Jersey and surrounding States will be made a feature at the opening of the Trenton Interstate Fair next Monday morning.

Mayor Donnelly will speak at the "Peace and Plenty" movement, and the children will sing patriotic songs. The peace pigeon, Woodrow Wilson, which is being sent to the President by the people, is the center of the assemblage. Doves of peace will be released every day at the close of the fair program. The national salute will be fired and American flags unfurled.

The fair program this year includes monoplane flights by Charles F. Niles, a scout for the Constitutional army in Mexico. He will fly upside down, loop the loop and perform other feats of a thrilling nature. Harness and running races will be conducted each day, with the exception of Friday, when automobile races will be held.

COUNCIL IN POLICE MUDDLE

Wilmington Body Opposes Plan to Name Mounted Squad.

WILMINGTON, Del., Sept. 25.—Displeased over the manner in which the Police Commission recently appointed by the State Committee of the local police force for a mounted squad, the Wilmington City Council last night passed a resolution rescinding the one allowing the appointment of the men and providing \$15,000 appropriated to increase the pay of the present men.

Action was postponed for two weeks.

Of the eight men appointed to positions four failed in physical examinations. Members of the Police Commission declared it is now too late for Council to stop them, and President William H. Bowers says that as soon as suitable men are found they will be put on duty.

Since there was a clash over the matter in which the men were appointed some members of Council have tried to block the appointment, but failed.

Some Councilmen are unwilling to vote for increase in the pay of the police force because, they say, the force was increased because it failed to quell the recent race riots until the militia was called out.

CONVICTS VOTE CAPTURE FUNDS

Sing Sing Brotherhood to Help Secure Escaped Prisoners.

NEW YORK, Sept. 25.—Prisoners who may escape or try to escape will be captured or punished with the aid of money that has been subscribed for that purpose by the Golden Rule Brotherhood, a prison organization here, which includes almost all of 1500 convicts in Sing Sing.

As a token of appreciation of the way prisoners are treated Sing Sing was presented by Warden Thomas McCormick by the Brotherhood, the amount to be added to

the \$50 offered by the State for the return of escaped convicts. He was told the Brotherhood members were opposed to attempts to get away, and hoped whoever tried it would be captured.
