SHORT TERM NOTE MARKET ACTIVE AND STRONG IN NEW YORK

Many Issues Traded in at Advanced Prices-Listed Bond Sales Now Reaching \$1,000,000 a Day.

The short-term note market continued active and strong in New York, with large transactions and advanced prices in many issues. Among the features were Pennsylvania Dis. 1814 to 35%, and Baltimore and Ohio Has which moved up 4.750 confertioners' A. 5.50c. soft grades. to 1914. American Tobacco Scrip was quoted at 99% and interest bid, with some sales at par, dat. There was a substantial broadening also in the trading in listed bonds through the New York Stock Exchange Clearing House committee.

Dealings in these bonds ranged recentare now reaching up to \$1,00,000 a day. Prices are naturally at substantial concessions, as the quotations of many ison new accommodations now rules at per cent, forcing a different basis for investment, even in the high-class issues.
