The Great Fur Sale of the Winter Opens Tomorrow Morning in the Fur Salon, Third Floor, Chestnut

All of our own finely chosen stocks come into it—novelty and staple small furs, novelty and staple fur coats, automobile coats and fur-lined coats. Every piece reduced an exact third after Christmas.

And besides these we bring into this Sale more than 1000 pieces brand new from good furriers who are clearing their stocks—all of these furs also being priced a third, and some even a half, less than regularly.

Many of these new furs are natural skunk and black lynx at half. Also there are scarfs and muffs of kolinsky, beaver, white, red and dyed blue fox, ermine, Japanese mink, civet cat, fitch, monkey and chinchilla squirrel.

Black fox neckpieces, \$7.25 to \$40; muffs, \$10 to \$53.25.

Black lynx neckpieces, \$13.25 to \$66.50; muffs, \$16.50 to \$66.50.

Natural skunk neckpieces, \$9 to \$75; muffs, \$15 to \$53.25.

Pointed fox neckpieces, \$13.25 to \$60; muffs, \$16.50 to \$56.50.

Hudson seal (sheared muskrat) neckpieces, \$7.25 to \$50; muffs, \$15 to \$30.

Natural mink neckpieces, \$11 to \$90; muffs, \$20 to \$90.

Natural raccoon neckpieces, \$5 to \$18; muffs, \$7.25 to \$26.50.

Skunk dyed raccoon neckpieces, \$9 to \$23.25; muffs, \$7.25 to \$26.50.

Fitch neckpieces, \$8.25 to \$36.50; muffs, \$20 to \$50. Mole neckpieces, \$7.25 to \$40; muffs, \$16.50 to \$36.50.

Hudson seal (sheared muskrat) coats, usually plain, but some trimmed with skunk, fitch, kolinsky or chinchilla squirrel, are \$56.50, \$76.50, \$83.25, \$110, \$133.25 and up to \$300.

Other coats in the sale are caracul, marmot and pony-skin, besides automobile fur coats and fur-lined coats.

The Winter Sale of White Reinforcements Already Coming in to Keep it Bright and New

We are getting in more of those already famous dollar petticoats with solid fine embroideries which wear so well.

More of the high-necked nightgowns with substantial narrow embroideries.

More wonderfully good drawers at 50c.

More Empire nightgowns of the sheer and dainty kind, with tucked waists, and priced \$2.50.

Big as these shipments are, they are no more than a drop in the bucket in a White Sale so large and so carefully provided as this. Our aim all the way through has been to meet the needs of all the women buying underclothes for the next six months—brides, business women, home women, women with much money to spend and women with little.

The Sale proper is held in the Underclothes Store on the Third Floor, Central, and on the West, East and Cross Aisles.

5000 New Shirtwaists

All Specially Priced in Connection With the White Sale

1000 waists at \$3.85—crepes de chine and pussy-willow silk, light and dark colors, besides white and black.

1600 waists at \$1.50. All lingerie styles of voile and batiste, with high and low necks and long sleeves.

2000 waists at 65c. Samples and overlots of voile and batiste, trimmed with laces and embroideries.

Also a large lot of sample waists at half—voiles and batistes mostly.

Brass Beds in a Sale

All the Samples Halved in Price for the Annual Clearaway

The yearly renewal of the brass bed stock is taking place at this moment. One part of the process is the immediate dismissal of all the brass bedsteads in our warehouses and on our floors at a price reduction of exactly one-half in every case.

There are, in all, about 200 beds, mostly in full sizes, but including all sizes, some in the polished, some the dull finish.

There are about 75 different patterns to choose from, one to six of a kind. Of course, very many of these are patterns that will not be reproduced.

That this is by far the greatest half-price disposal of brass bedsteads we have ever held, is a patent and undeniable fact.

The prices go from \$6.25 to \$57.50 each. In between there are beds at \$8, \$10, \$11, \$12, \$12.50, \$13, \$14, \$15, \$16, \$18.50, \$20, \$21.50, \$23, \$23.75, \$32.50, \$40, \$42.50 and \$57.50 each.

300 Men's Winter Suits in a Sale

All Very Fine Worsteds, Brand New, Special at \$22.50

Not a job lot, not a reduction, nor picked overs, nor left-overs—not a suit ever offered for sale before.

Every one of these fine suits is brand new this morning.

Every one of them is a good, sound, Winter worsted suit worth a good many dollars more than the special price marked on it.

Made up to our special order from the bolt-end goods remaining in the hands of one of our greatest manufacturers—and when these are gone they are all gone.

Thousands of men have bought suits just like these—not one bit better, for there are no better—at prices \$7.50 to \$12 more within the last few weeks and got full value and big value for the money.

300 men who get these suits get as good pick as anybody has ever had at the higher prices; just as good fabrics, just as good hand-tailoring, just as good fit, just as good value, inside and outside, and long wear.

And if possible a little better value in fashions, for these carry the benefit of all the experience the tailors have had in making Winter fashions.
