SCRAPPLE ON THE SUBJECT OF CLOCKS

THE WEATHER MAN SAYS IT WILL BE WARMER TOMORROW!

I don't like clocks. For one reason, I have unpleasant memories of our hall clock.

And another time my wife made me pay \$10 for a genuine antique that had no works.

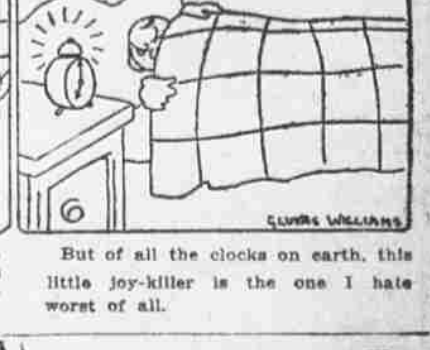

JAN. 12 1911 (A TRUE DIARY BY A BOY) ON THE WAY FROM SCHOOL - P.M. - WE MET A BRASS BAND. IT PLAYED AT DIFFERENT PLACES IN THE VILLAGE...

And a clock-maker once told me that it would cost 25 cents to repair my clock and 5 to put it together again.

NOTE - THIS DIARY WILL APPEAR EVERY DAY UNTIL YOU'VE HAD ENOUGH. IT IS A REAL DIARY AND WE THINK YOU'LL LIKE IT.
