ISTERIA A TAINT IN NERVE SYSTEM OF THE VICTIM

used as a Physical, Menal and Moral Disease That May Be Overcome Proper Education.

By W. H. SHANE, M. D. perician at the "Billy" Sunday tabernacle,

of the cases we treat in the Tab-a Respital are hysteria of one form other, but as a rule we do not use average person it is a term of re-

esta is a physical, mental and a disease. Its characteristic sympan abnormal craving for sympathy stement. It is manifest in the sustement. It is manifest in the greed for gold, the dipsomaniac's of for whisky. The woman who is an by the services here until the aland physical tension is so great as fainting suffers from a disease langible than these. They all have see root, the demon of hysteria has been aid to develop and possess them they shall be objects, indeed. They will do that to gratify their craving for symptomy to all kinds of tricks to attain the other to all kinds of tricks to attain to themselves and suffer

distintion to themselves and suffer is some just as the "dip" will sac-

much—in fact, almost anything—to a lis desire.

Systematic taint, if not controlled, may been a vice that grips with crushing a pit this, like all vices, may be oversymmetric taint of the cases that come to our attempt are young griss. If parents (and palans, too), would explain to these case, when in the early stages, what me like are drifting into, I am sure my a woman would be saved untold can in later life.

If it as you see it here is only a

his taint is best illustrated in the arcel with the trifling stimulation of sper pipe. The cigarette "fiend" is the border line nervously, and can rayed by trifles. He usually goes a peer soon after beginning the vice. If the same type is the hysteric. The rean who is subject to the disease is must to a hard fight in life, but can must if she will. Such a person will be the object of pity.

A wild imagination which is not consider by facts or reason and which is the supersymptom than the fit is usually safet Do not feel contempt for such internal such as the reserve of the parents and their reserve it for the parents and supersymptom that the fit is usually safet Do not feel contempt for such internal such as the reserve of the the parents and trouble to teach them self-size at and trouble to teach them self-size at an age when it can be done.

JAN.25 WIG'S DIARY OF A BOY)

DIDN'T GO TO SCHOOL TODAY EITHER BUT I GOT OUT OF BED AT THE REGULAR TIME. THE DAY WAS RAINY AND THE SNOW IS HALF GONE, PA WAS SICK AND HE LET ME LOOK AND HANDLE HIS BIG COWBOY REVOLVER AND HIS SMALL SMITH AND WESSON. I'M THINKING OF GETTING A FIFTY CENT WIZARD LIQUID PISTOL. IT OUGHT TO SHOOT SIX SHORT QUICK SHOWERS. I HAVE \$4.50 TO SPEND. I GOT \$4 IN CHRISTMAS MONEY AND A HALF SAVINGS UP AND 10¢ ALLOWANCE EACH WEEK.

Dr. Pillem-Are you going to call & consultation?
Dr. Bolus-I think not. I don't believe patient has that much money.-New York Fost.

Maintaining a Balance "Be cheerful. Look on the bright side

HE DIDN'T GET A CHANCE. Ethel-Did he tell you when he pro used that he was unworthy of you? Men think that always makes a hit Edythe-No, indeed! He was going

AN OUTRAGE Mother-Why are you so late, Wil-

Willie-Teacher kept me in because I couldn't find Moscow on the map. Mother-No wonder you couldn't find Moscow! It was burned down in 1812. It's an outrage to treat a child

Obliging Individual-Cold bit of a job you'vpe got there, makey. If yer likes ter nip along and get yerself a drink, I'll 'old yer baynite fer yer.
