CHARITY AFFAIRS

Lecture To Be Given This Afternoon For Benefit for Tokio Hospital.

A lecture will be given in Horticultural Hall this afternoon called "A Day in Japan With Mr. and Mrs. Charles R. Pancoast," Illustrated with colored lantern stides. Tea, cake, candy and flowers will be for sale after the pictures. The proceeds are for the benefit of the children's ward of St. Luke's International Hospital, Tokio. A large and representative committee of girls has undertaken to raise the sum of \$10,000 for the children's ward of St. Lake's. This is the first entertainment that has been given for this object.

Special Interest is attached to this hospital because of the recent unprecedented act of the Japanese Emperor, who gave from his own purse \$25,000 toward the building fund of the new St. Luke's. All travelers in the Orient, it ill, naturally are taken to St. Luke's, where the great skill of Doctor Tensler, the devoted American medical missionary, is well known and appreciated. This hospital, therefore, makes a special appeal to all travelers in the Far East. The fact that the girls of Philadelphia have pledged themselves to raise the \$10,000 toward the \$20,000 needed for the children's ward of St. Luke's has been printed in the daily papers of Tokio and has made a deep Impression. It emphasizes America's wish to give to Japan the very highest and best type of an up-to-date Christian hospital. The committee in charge of this entertainment includes Miss Harriet Frazier, Miss Alice Scott, Miss Catharine Lennig, Miss Marion Naylor, Miss Dorothy Disston, Miss Winifred Clark, Miss Marjorie Taylor, Miss Esther Howell, Miss Eleanor Brock, Miss Letitla Scott; treasurer, Miss Helen Tower, and Miss Mary Alice Clay, chairman.
