SUFFRAGISTS PLAN ANOTHER BAZAAR

Second Affair Will Be Held to Help Dispose of Goods Left Over From Last One.

Another suffrage bazaar is planned for the near future, but this one will not be as pretentious as that which was recently held under the auspices of all the suffrage organizations at the New Century Club. The coming affair will be given by the Equal Franchise Society, 35 South 9th street, on Wednesday, March 24. It will be given for the purpose of disposing of articles left from the farm and garden booth which that society conducted at the recent bazaar.

A considerable number of farm and garden implements were left unsold, together with numerous flowers, ferns, seedlings and cuttings. Though the coming bazaar will be held mainly to sell off the "left overs." there will be considerable new things of other kinds for sale, including the latest suffrage "literature," articles made by the society's sewing class and candies made by Mrs. M. C. Morgan. Fancy-colored baskets, flower pots, bird sticks, fresh fruits as well as stewed and canned fruits will also be on hand.

A committee is in charge of the affair and will make it as elaborate as possible. The committee consists of the following: Mrs. Wilfred Lewis, Mrs. Horatio Gates Lloyd, Miss Sophia H. Dulles, Miss Martha Davis and Mrs. Harry Lowenburg.

The March meeting of the Past Chancellors' Association at beaduaters, fut and Spring Garden streets, was undoubtedly more numer-ously attended than any yet held. It was not only a "feast of reason and flow of soul," but resulted in a contemplated debate between chosen sides at the meeting in April.
