CATHOLIC FIVE IS CROWNED CHAMPION

Deciding Game of Series Is Won From La Salle Players, 42 to 18.

Catholic High School last night won the deciding game of the series from La Salle College, the score being 42 to 18. La Salle gave a particularly disappointing exhibition, and at no stage of the game was the ultimate result in doubt. Catholie High from the start played a fast, a sure game. Not alone was their team work superior to the North Broad street collegians, but their shooting was deadly collegians, but their shooting was deadly and their forwards easily eluded the guards and counted time and again.

Dunleavy was the star performer for the wieners. He was all over the floor and his three goals from the field were made at difficult analies. From the 15-foot mark Dunleavy caged I7 of his 28 tries, outscoring McNichol, who only turned 10 of his 28 attempts into points. McNichol appeared to have an unusually off day for him. Had it not been for the clever work of Windt the La Salie five would have been buried under a bigger total. La Salie Reserves lost a hard-fought game to the Catholic High Reserves, 19 to 15. Captain Martin gave a brilliant exhibition of foul chooting, getting 15 out of 18 from the foul time. Ryan, for La Salie, played the best game.

But this season, with a clean sweep at the top, with a responsible ownership and a leader who is looking for a chance to give every man a square deal, there is sure to be a big change. And if there isn't a change we know enough of the new owners to know they will not be content to stand still. We know enough of Captain T. L. Donovan has been spending most of his time developing or trying to develop a run-making machine. Last season the Yanks averaged 229 at bat as a club. This season Donovan figures that with Pipp and High added and certain improvements among players who hit below normal last year, the club average will rise to .240 or possibly .245.
