## STATE APPROPRIATION EXPECTED FOR BIG 4TH

Passage of Dunn Bill, Granting \$50,000 for National Celebration, Virtually Assured.

Prospects of a substantial appropriation for the national Fourth of July celeheation in Philadelphia by the Legislature are decidedly bright. The sentiment in the House and Senate is strongly in favor of the bill providing \$50,000 for the event this and next year, and Senators Vare and McNichol have promised to co-operate in every possible way to make the

eccasion a success. Common Councilman John Balaley, chairman of the Fourth of July Committes, said today he felt assured, in view of the unanmity of opinion in Harrisburg, that the Dunn bill providing for the sum mentioned would pass with virtually no obstacles.

Members of the Legislature and Councis are strongly in favor of a special religious day ceremony on Sunday, July 4 and all churches will be invited to partici-

in view of the fact that this city is striving to obtain the next Republican national convention every effort will be made to exceed previous hospitality to visitors who come here for the big birthesy party on the Fourth, which is also to commemorate the 50th anniversary of the cleans of the Civil War.

The plan to extend the celebration to a week is also being seriously considered. Many of the city's prominent citizens agest out that thousands of New Eng-

point out that thousands of New Englanders and residents of the Middle States who intend visiting the Panama-Parific Exposition would undoubtedly take Myantage of an opportunity to visit the independence celebration here if it were st sufficient scope.

Councils' Fourth of July Committee will meet on Monday and decide definitely upon the program to be adopted.
