##  

Style Plus Comfort in Perry Spring Suits
style precisely which distinguishes our Men's Fashionable" models from mere roomy clothes.

They are Perry Suits for stalwarts-Suits built for men who are no longer slim, but to whom the appearance of slimness is desirable.

There's a Perry knack in cutting these clothes which secures comfort and ease while it lengthens man's lines away from chunkiness.

In such a model sub stantial men all the way up to 46 -inch chest-measlithe and limber figure o young fellows in their twenties. $\$ 15, \$ 18, \$ 20$, $\$ 25$.
