PENN'S CHANCES GET BIG BOOST FOR INTERCOLLEGIATE EVENTS

Track Showings of Saturday Blow to Cornell's Hopes—Eligibility of Howe and Maxwell Questioned—Records Certain to Go A-smash.

Although Cornell still is and should be the favorite for the intercollegiate track and field championships to be held on Franklin Field Friday and Saturday, Pennsylvania track men may gain considerable hope from the New England championships held at Cambridge on Saturday.

In the two-mile run, Cook, of the M. I. T., won in 9:35 4-5, which is faster time than either Hoffmire or Potter, of Cornell, had done this year.

In the broad jump and shot put, too, there is a chance that Richards, of Cornell, will not score as many points as Cornell men have been hoping.

Preble, of California, winner of second place in the 120-yard high hurdles last year, will be out of that event, and, naturally, Ferguson, of Penn, is going to place higher.

Coolidge, of California, was second in the hammer throw last year. He will be out of the going, and Murphy, of Penn, a point winner last year, is certain of getting an additional point or two in the summary.

Good Day Will Mean Records Smashed

A summary of the performances of the big collegians to date shows that in every event the records have been beaten, equalled or shaved in virtually every event, and frequently by several men.

In the half-mile Meredith, Bingham and Capper, of Harvard; Spelden and Windagle, of Cornell, and Hayes, of Princeton, have all done 1:56 or better.

There are half a dozen men who have beaten 6 feet for the high jump, while Oler, of Yale, has done 6 feet 3 inches, and Richards, of Cornell, 6 feet 5 inches.

Withdrawal of California Boost for Penn

The University of California's withdrawal from the intercollegiate came as a distinct surprise.

Many of the experts of the country, who annually endeavor to select the probable winners, had gone so far as to give the Westerners a place in several of the events.
