A finds mutiny stirring, and after nic a volvers have been stolen from him he is warned by a note to say nothing under pain of death.
 The mutiny breaks and John and Altee Clayton are put schore.
 Attacked by a great anthropoid ape, Clayton is eaved by this wife, but the dying best attacks her and trightens her so that she couse her mind. A child is born to the cuple. A year later Allce dies, leaving Clayton with the schild.
 John Clayton is eventually killed by the strate pass which infest the place, and the child is captured by a she-ape whose own offspring has been killed. before, and naturally expected to see the young man murdered as had been the nuge sailor earlier in the day.

So Tarzan fitted a poisoned arrow to his bow and drew a bead upon the rat-faced sailor, but the foliage was so thick that he soon saw the arrow would be deflected by the leaves or some small branch, and instead he launched a heavy spear from his lofty perch.

Clayton had taken but a dozen steps. The rat-faced sallor had half drawn his revolver; the other sailors stood watching the scene intently.

Professor Porter had already disappeared into the jungle, whither he was being followed by the fussy Samuel T. Philander, his secretary and assistant.

Esmeralda, the negress, was busy sortng her mistress' baggage from the pile of bales and boxes beside the cabin, and Miss Porter had turned away to follow Clayton, when something caused her to

turn again toward the sailor. And then three things happened almost imultaneously-the sailor jerked out his Miss Porter screamed a warning, and a long, metal-shod spear shot like a bolt from above and passed entirely through the right shoulder of the rat-faced man. The revolver exploded harmlessly in the air, and the scaman crumpled up with a scream of pain and terror.
