"A Message to Garcia"

"A Message to Garcia" A tradic note desper than any written in the manuscript was struck during the fimiling of "Hearts Ablase," the Vita-graph three-part Broadway Star Fea-ture, produced under the direction of Lorimer Johnston, in a fall from a horse by Gerry McGarry, one of the Vitagraph players, the day the Lusitania went down with his friend Etheri Hubbard. Mr. McGarry, in the character of an Italian nobleman, riding to hounds, in a scene at the Brokaw estate, was required to enact a fall from his horse, and at the third trial, because of the netwousness of his mount, was thrown, dislocating his hip. He underwent an operation that was hip. He underwent an operation that was successful and was preparing to remount to continue the scene when news of the probable, loss of Mr. Hubbard reached him. His own hurt sank into insignifcance at the news, as only a few days before he sailed Mr. Hubbard selected Mr. McGarry as the one to carry "A Message to Garcia" in pictures.

The Vitagraph Company is negotiating through Mr. McGarry with the Hubbard estate for its production, and it is within the bounds of probability he will be seen in "A Message to Garcia" in the very pear future. near future.
