—London Sketch.

She—Oh, Tom, how lovely! You needn't buy me a milking stool for I have one already. It's the prettiest you ever saw—all decorated with handsome plush and cherry-colored ribbons!

### Initial Error

After many years of long and faithful attendance on his patients, old Doctor Brown decided to take a much-needed vacation, intrusting his practice to his son, a recent medical graduate. Later, when the old gentleman returned, the younger physician told him, among other things, that he had cured Miss Anthony, an aged and wealthy spinster, of her chronic indigestion.

"My boy," said the old gentleman, "I'm certainly proud of you; but Miss Anthony's indigestion is what put you through college."—Harper's Magazine.
