Choosing a School for Your

is a very difficult thing to do unless you have personally visited and investigated a large number. In order to help you and save you a great amount of correspondence and tiresome investigation, LEDGER CENTRAL sent out a college graduate to visit schools and colleges. He has spent several months visiting all the best schools in the East, securing all sorts of information at first hand, and is qualified to help you find the school best suited to the peculiar needs of your boy or girl, at whatever price you can afford to pay. The service is free, and we suggest that you get in touch with the Bureau at once, as many
