MY FAULT, MY FAULT! I SHOULD

#### The Daily Story

he "Monkey" Drill pere ten't room for all seven of

usgen box," said Clement, when had invited the party to

simler can ride on the front seat giver." Burgess had replied, such though Gormley felt the rest of malice in his voice, "up to be about horses, you know."

or thaw had left the clay roads

or a hard freeze following had
them to emouth from, and the
arche wagon on the hard surface
for through the breathless, glitat of the moonlight.

is of the moonignt.

The night of the Grangers' party and Town Hall, five miles from and a week before Burgess had helf dessn young people of Sinatebd, riding over in his aleigh, a had necessitated the change in warm.

a I badn't come, I wish I hadn't I hadn't come. I wish I hadn't incessantly in Gormicy's the steady clop-clop of the standard o seeweted place their bost had seed his rival to the front seat.

man with red blood in his veins rely blame Burgess for his sug. The girl was a bewitch-squr muffled in furs, a coquety impo-shanter setting off her has and mischlevous eyes.

pace and mischievous eyes.

Wilk the sweet-tempered Gormbut almost too submissive, was
pens roused. He was inshing
in litterness of spirit. It had
hen so, Fate had made him the
of Rex Burgess, even in school Surgess was big and brave and as while he was slight and pale the boys had nicknamed Gormley processes once he had fainted at act of blood. Burgess' father was sathest man in Slocum, and every of the money would one day belong of the was the only child.

ged deeper into his melancholy ss. He, puny clerk in a dry are, to aspire to Sylvia Gerrish's est one so favored of gods and as burned, too, when he thought

there contemptuous reference to mines." Frankly, he admitted, it risclous that he, "Molly" Gormley, he are martial aspirations, Yet when that military board had offered Sioquipment for a troop of cavalry stocal Guard, Gormley had been dy chosen captain. And he was as for the place. He could ride; it least been the sport in which he at. He knew the "monkey" drill of of States cavalry as he knew the

ar talk of Cossacks and Bedouin ind Indiana, and the way these mandle a horse, but the man who the reliow guidon is a little the reman of them all. And Captain Germley, Troop A, First Cavalry, Troops, rode like a regular, whether saddle, barebacked over the hurdles unding, each foot planted firmly on ack of a galloping horse. Besides of qualification of a cavalryman, he de other requisite for an officer, the command, and even West Point

the possibility that Burgess enhim was baim to Gormley's sore sit by Sylvia on the homeward jour-new, his cup of joy would be full, as a mighty bound from the depths mour almost to the pinnacie of bliss said almost to the pinnacie of bliss start haif hour, but Gormley was a mi routh has hope for a heritage, seelly the young man was attracted the lamity of the night. The buris frest crystals until they sparkled dimess dust. To the westward the such it is yards away. From the such bordering the creek the road had trained to a height of 50 feet, and talkinkment was narrow, steep and Beaver Creek crossed from A railing on each side hedged de readway.

aght nothing was visible below that
A mist, white and soft as cotton
are from the swampy low ground
miled in noiseless billows to the is at the road. The advance of the large wagon and its occupants into a heaving white silence seemed almost

the set the road. The advance of the starting wagon and its occupants into searing white silence seemed almost anny. It was as a sea which might and engulf them.

In others were similarly impressed, sold seem, for the talk was nome-it talk them. The team, after three miles less movement, was getting warmed and danced spiritedly. The driver is fresh grip of the reins, for care-mork was needed, especially at night, to bring the horses to a walk, sounded backward suddenly. The right is droven near his hand.

It was like a scene from a horrid in to Gormley. There was a const of abouts and shrieks from the box behind. The horses were side to the left of the road by the still clump stupidly. They plunged the railing: it cracked, then gave been at their weight. The "night" as partially with its hind feet on macherous side of the embankment, and the relentless rein, dragging at beautiful the situation of the wagon. He is placed the line.

The lift he should be rolling over the footboard call the four of the wagon. He is mand to broken rein, and the same assume weached the animal's head in a strench of the horse of the horse struck fire from the same and one of the right hand all we will als left hand, and pulled in a strench fire from the same of the other struction, but the right part of the right hand to ward destruction, but the fight part of the right part of the right part of the right band the will hale left hand, and pulled in a struck fire from the same of the right part of the right part of the right par

as edge. For an intant the whole trembled toward destruction, but to the right never clarkened horse secured a footbood at last, sanger was ever

did you ever think so quicksled down a little and the rein

m't thought at all; just instinct."
Sathly, "You see, the trick of as borse bareback and sulding a part of the cavalry monkey targed it years ago, when I was

holds Clement in littler hatrod so holds Clement in bitter hatres in high, for it was Clement who se changing seats with Gormal that breastit Gormley into a last Mas Carrish. The soggares announced next day, all as a like ride nume after the dance bretchal bins, given when the mon was singularly for Burdly sweet to Gormley, for Burdley, States a vari away. for Bur-1913, by the McClure Newspaper Symbols.
